Good morning.

After our SEL lesson today, one of my girls came to me with news of an incident on bus 5. She sits with a child by the name [REDACTED] (not sure of the spelling). It was reported [REDACTED] has said to my student, "I'm glad I am not white like you." and called her the 'N' word. Also, she has been hitting/punching her while making fun of her. Is there any way to speak to [REDACTED] and change my student's seat?

My student is [REDACTED]
