Save Lives. Build Confidence. Mitigate Risk.

Become an ALICE Certified Instructor Today!

SEE CLASSES IN YOUR AREA

The national response time to a violent critical incident is 3-5 minutes, yet many of these events are over in that same amount of time. Therefore, your employees are the true first responders.

Equip your team to survive an act of violence using proactive, multi-option response strategies. Join us for one of our upcoming two-day in-person ALICE Certified Instructor training courses!

[Click here to see a list of upcoming classes in your area](#) to sign up and get the training you need to empower everyone in your organization with the skills to increase their likelihood of survival.
