Dr Cohen,

Eric and I discussed how you are a member of the "schoolboard@mokena159.org" email distribution group. This is not appropriate and it is not disclosed to our parents, staff, community, board members, etc.

Our stakeholders need to be able to communicate directly with the BOE without you unknowingly being included. I am not happy this was not disclosed and it doesn't really matter why, because it is just not right.

Please direct Lincoln to remove you from that group to ensure only actual members of the Board receive emails to the "school board" going forward. If someone wants to include you they know your email address and they can make that decision.

Kindly confirm when that is done.

Thanks,
Kelli MacMillan
