Dear Superintendent Stein and Board Members,

I hope this finds you well! Thank you for participating in the Board Governance Review (BGR) survey used by boards to examine themselves with a focus on board governance and board outcomes. This board self-evaluation workshop is scheduled for **Monday, November 11**. The first step is for each of you to complete the BGR online survey. IASB staff will collate the *anonymous* results and prepare a report which will be shared with the board and superintendent at the workshop.

**Instructions for completing the survey**

The survey contains 30 items (multiple choice) with an opportunity to comment after each one, and three open-ended questions. You don't need to complete the survey in one sitting. If you do stop and come back, you must use the same device (computer, tablet, etc.) that you started the survey on. Please click "**Submit survey**" when you are finished and ready to submit. After submitting, the screen will say, "Thank you for completing and submitting the survey! You may close the browser." Once you have submitted the survey, you cannot go back and edit your responses.

After you click on the link, you will be asked for your email address to gain access to the survey. Use the email address that was used to send you this email. **Please complete the survey by Wednesday, November 6, 2024.**
