Hello Meteor Families!

Earlier today we sent home a paper copy of a letter and permission slip about the upcoming Solar Eclipse on April 8th.

Since the eclipse will be occurring during school hours, we will be discussing the celestial event with our students and teaching them how to view the eclipse safely. We will be handing out viewing glasses to all students who do not have their own.

Please take a minute to read the letter from Dr. Johnson, our Assistant Superintendent for Instruction for more details.

For your child to participate in the viewing of the eclipse at school, parents must return a signed permission slip.

Please contact our office if you have any questions.

Sincerely,

Dr. Mike Rolinitis

Principal
