Good morning!

Since I am in the process of editing many things given recent conversations, I have started editing the graduation awards document for this year.

Karen/Victoria/Vicky - can you read over the speeches and see if anything needs to be adjusted? Can you add in the band and orchestra names?

Mike/Dina - do we know who will be receiving the award for the musical? There is only 1 award being given for that, right? I have no clue what was ordered for that, so I adjusted the speech to only account for one theater award, but can always edit it to two awards if needed.
