Good Morning,

I received a message from a parent who has students at both MIS and MJHS saying that one registration shows that the fee is being paid to Music Boosters (MIS) and the other says it is being paid to the district through Skyward (MJHS). All fees must be assessed and paid through Skyward.

I am not sure who has access to correct the form for MIS, but a correction needs to be made and sent to parents.

Please double check all other forms as well.

Thanks,

Mike
