Hello Music People!

If I know what day we are doing it, I can drive the trailer over with my truck. I don't trust the custodians to move the instruments. I think we should be the ones doing it. Let me know when is best for the group.

Do you have someone to drive the trailer across town? Otherwise, you can do a request to have the district move them for you.

I think all of the woodwind instruments need to go in for service if Victoria is doing that. The brass instruments would be fine here. Not sure about percussion.

Hi everyone,

I wanted to schedule a day to move the instruments from MJH to MIS due to the AC being down all summer. I know I need to move the cellos and basses and Becca needs to move the ukuleles- are there any band instruments we should move as well?

If possible, I would like to move the instruments on Tuesday, May 21st. I have the day completely free and can help get everything packed up on the marching band trailer.

Please let me know your thoughts when you get the chance,

Vicky
