ABOUT *POLICY UPDATE*

Policy Update is a quarterly subscription newsletter providing a brief discussion of current policy issues of concern to Oregon school districts.

Sample policies reflecting these issues and changes in state and federal law, if applicable, are part of this newsletter. These samples are offered as a starting point for drafting local policy and may be modified to meet particular local needs. They do not replace district legal counsel advice.

To make the best use of *Policy Update*, we suggest you discuss the various issues it presents and use the sample policies to determine which policies your district should develop or revise, get ideas for what a policy should contain, and as a starting point for editing, modifying and discussing your district's policy position.

If you have questions about *Policy Update*, sample policies or policy in general, call OSBA Policy Services, 800-578-6722.
