Process:

- We will send a team to your facility to pack and box up all the devices in master cartons. This will include onsite inventory counts provided by our team.
- Once boxed up, we will palletize and shrink wrap.
- Once packaged, the devices will be loaded onto a truck and sent to a centralized location (near the school) where it will then be directly shipped to our warehouse. Inventory sheets will be provided at conclusion of pick up by us.
- Upon arrival to warehouse, the devices will be individually data wiped in a designated area.
- The devices will then be individually tested and graded.
- Once all devices are inspected, we will provide reports through a final audit of the devices. A detailed report will be provided to your staff at the end of the purchase process which will include Device type, Specific model, Serial number, Cosmetic damage levels, Functionality damage levels, Final letter Grade (A,B,C,D,E,F), and Final Payment amount.
