memo

To: The Board of Education and Dr. Patrick Broncato, Superintendent
From: Curt Saindon, Assistant Superintendent for Business Services/CSBO
Date: July 16, 2026
Subject: Notice of Public Hearing for the FY 2026-27 Budget

Attached is the proposed Notice of Public Budget Hearing that will be placed in a local newspaper of general circulation, after the Tentative Budget has been approved by the Board of Education, posted on our website and made available in our office for public inspection, as required by law. With Board approval we will place this notice in the newspaper by the end of July, and be sure to have the Tentative Budget available for public inspection in late July, August and early September, leading up to final budget approval at the September Board Meeting. As always, if you have any questions please let me know. Thank you.

RECOMMENDATION

It is the recommendation of the Administration that the Board approve the attached Notice of Public Hearing for the FY 2026-27 Tentative Budget, as required by law, and direct the Business Office to publish a notice of said hearing in a local newspaper of general circulation at least 30 days prior to the public hearing. With proper notice we will hold the public budget hearing on September 21, 2026, and after the final budget presentation has been made, and in consideration of any comments made by the public about this budget at the hearing, we will then ask the Board to approve the Final FY 2026-2027 Budget, as presented. We will then file said approved budget with the proper Local and State agencies within 30 days of adoption, as required by law.
