Can you put the bus loop on the finance and regular board meeting, Board meeting would be information and action.

Here is the comparison of the three proposals. It looks like option 2 is not going to be within budget and option one is well within the \$40,000 left (after consultant fees).

	Option 1	Option 2
Erickson	\$21,360	\$59,330
ACI	\$37,585	\$113,535
Metro	\$25,680	\$71,880

Erickson is local, do not have any history with them. ACI did the High School parking lot work. Metro is a large established contractor.

I will follow up with all of them to confirm timing of this summer. That may push us one way or another. Stay tuned.
