Re: Middle School Report

- Student led conferences on Feb 22 and 26 had good attendance and positive responses from parents.
- We had over \$1800 in sales in our Book Fair that ran during conferences. The profit from this is used to purchase additional books for the library.
- Our February 24 Activity night had a big turnout. We raised \$1300 for Food For Kidz which put our grand total at \$4800.
- March 14, will be the Food For Kidz packaging day
- Special thanks to our table sponsors who each donated \$300. Remark Financial, and Munson Lakes Nutrition.
- March 21, Teachers vs Students reward day. The winning grade level volleyball and basketball team will compete against the teacher team.
- The Middle School Alternative to Suspension, ATS program has been successfully used 4 times and is showing great potential.
- Collaborative work with Dr. Kuehn has begun on next year's scheduling needs.

If you have any questions about these activities or anything else, please feel free to contact me.
