21st Century Schools Council (Version 1)

See current version

The Board directs the superintendent to encourage community involvement in shared decision making and to foster the collaborative efforts of district personnel, students, parents and community members through a districtwide 21st Century Schools Council.

The overall purpose of shared decision making is to enhance student achievement through both improvement of the instructional program and delivery of support services.

The district's 21st Century Schools Council shall be responsible for the development of plans to improve the professional growth of the school staff, the improvement of the schools' instructional program, the development and coordination of plans for the implementation of programs under ORS Chapter 329 at the school site, the administration of grants-in-aid for the professional development of teachers and classified employees as provided for in the Oregon Revised Statutes and Oregon Administrative Rules and advising the Board in the development of a plan for school safety and student discipline under ORS 339.333.

The district mission, beliefs, goals, priorities, plans and policies shall continue to be established at the district level and approved by the Board. These establish the guiding framework within which the district's 21st Century Schools Council will develop school improvement plans.

The district's council does not have the authority to override an action of administrative rule, regulation, administrative decision or Board policy without the approval of the superintendent and the Board, respectively. Council decisions may not abrogate any provision of district collective bargaining agreements or law.
