Academic Integrity		At MUHS academic integrity is a fundamental value of education and therefore, acts of cheating, plagiarism, falsification or attempts to cheat, plagiarize, or falsify will not be tolerated. Should it be determined that an academic integrity violation has taken place, the teacher reserves the right to assign a zero grade and submit a discipline referral to an administrator. Repeating infractions will result in additional discipline.
Academic Information Academic Expectations		Attending MUHS is a privilege and with that comes the responsibility for the student to participate and progress academically. In class, students are expected to participate according to the directions of their teacher. Participation will lead to academic achievement and progress, the major goal of high school education. The long-term reward is graduation, but the short-term rewards are many and depend on the individual. Some overall scholastic expectations are as follows: • Take focused notes. • Enter class on time, prepared with necessary materials. • Follow the teacher's directions. • Ask for assistance from teachers/others as needed. • Study/review for tests. • Complete homework. • Participate in discussion. • Engage your mind in the course.
Advanced Placement Curriculum (AP)/Weighted Grades		Mingus Union High School operates on a basic 4.0 scale where A = 4, B = 3, C = 2, D = 1 and F = 0. For Graduating Class 2029 and beyond: Students may additionally earn weighted grade points by taking accelerated courses and earning a C or better. Weighted grade points are added to the GPA once it has been calculated to identify students for honors, valedictorian and salutatorian. Class ranking and GPA on transcripts display a weighted GPA and unweighted GPA as well as class rankings based on the weighted GPA Weighted Grade Points Honors Courses = .3 Advanced Placement Courses = .5 Dual Enrollment Core Classes = .5 For Graduating Classes of 2027, & 2028: Advanced Placement classes are weighted using the following values: A= 5.0, B= 4.0, C= 2.5, D= 1.0. AP students are expected to take the course's summative College Board AP exam in May. Test participation is required to receive the weighted grade. AP exam preparation is a significant component of the AP course. Students will need to purchase an AP test preparation book of the instructor's choosing.
Advisory		<u>Program Purpose:</u> The purpose of Advisory is to ensure that at least one adult in the school is getting to know each student well, making sure their learning needs are being met, and encouraging them to make good academic choices and plan for their future.

		<u>Role of the Advisory Teacher:</u> The Advisory teacher facilitates class activities, which include teaching skills related to their students' academic, college/career, and personal/social development. The Advisory teacher assists in creating an environment of respectful peer interaction during the advisory session and encourages students' academic, social, and extracurricular involvement in school. The Advisory teacher helps students develop a sense of belonging to a community, personalized instruction to better meet the needs of individual students, be a point of contact for parents, and assist in monitoring students' progress. The Advisory facilitates the scheduling of FLEX activities targeting their Academic needs. <u>Role of the Advisory Student</u> Advisory is part of the student schedule, attendance (including FLEX) is required. Students receive elective credit (pass/fail) based on attendance and required curriculum activities.
AIA Student Info	AIA Rules and Practices	AIA rules and practices can be found on their website at www.aiaonline.org
	AIA Student Academic Requirements	A 9 th , 10 th , or 11 th grader must be enrolled in 6 classes to be eligible for AIA participation. Seniors must be enrolled in 5 classes to participate in AIA sanctioned events.
	Grade Check Policy	Weekly eligibility checks: • A weekly grade check will be used to determine eligibility. If the official weekly grade check indicates that a student has received a non-passing grade in one or more of their classes, the student is determined to be ineligible at that point and may not participate in extra-curricular activities. • The coach/club sponsor is responsible for verifying that each participant in his/her activity has met the grade requirements per policy and for declaring any student not passing as ineligible from all participation in his/her activity for the duration of the ineligibility. Academically ineligible students are not to miss instructional time due to activities.
	Code of Conduct	All students and parents must sign the MUHS Code of Conduct to participate in AIA sanctioned activities at Mingus Union High School. Students are held accountable to those standards in addition to the school policies. The full version of the Code of Conduct is included as part of the online eligibility platform.
	Insurance	To participate in athletics, an athlete must have insurance. Insurance forms are available in the Main Office. Myers-Stevens Insurance provides coverage options for any student enrolled in school.
	Physicals	All athletes need to complete a physical and athletic packet annually to participate in sports.
	Physical Education Locks and Lockers	Students enrolled in physical education courses are issued lockers. Students can use specific locks available at the bookstore to secure personal belongings in their assigned lockers. Lost or stolen locks are the responsibility of the student.
	Attendance and Discipline	Students are expected to be on time and present on the day of an activity or contest. If a student needs to be absent, they must obtain approval from administration. If a student is suspended, they may not participate in any school activity including practice, until the day after the suspension has ended.
	Sports Schedules	Students, athletes, parents, or fans may obtain sports schedules from the Athletics Secretary or by visiting the MUHS Athletics webpage.
	Sportsmanship/Fan Behavior	Mingus Union High School participates in the AIA Victory with Honor program. Fan behavior is an integral part of upholding these principles. A paid entry fee does not constitute permission to taunt or cheer in a disrespectful, rude, or derogatory manner. Fans behaving in this way will be directed to leave the sport

		venue. Mingus Union High School students will be subject to the school's discipline policy as well. These principles apply to audiences at sporting and non-sporting events.
	Uniforms and Equipment	It is the responsibility of the athlete to properly maintain and care for school issued equipment and uniforms. Athletes are responsible for returning the uniform and equipment at the conclusion of the season. Athletes may not participate in future activities and will be financially responsible for the replacement costs of items damaged or not returned.
	AIA Sanctioned Athletics and Extracurricular Activities Violations	<u>Substance Abuse Rules</u> a. The possession, consumption, production, or distribution of drugs is forbidden. b. The possession, consumption, production, or distribution of alcohol is forbidden. c. The possession, consumption, production, or distribution of tobacco/nicotine, tobacco/nicotine products, or smoking (including electronic/vapor) is forbidden. <u>Implementation of Procedure</u> The Mingus Union High School District (MUHSD) believes that students who are granted the privilege of participating in extracurricular activities will be held to higher standards of behavior than students in the general school population. Students who participate in extracurricular activities in the MUHSD shall not possess, use, sell, give, or otherwise transmit, or be under the influence of any drug or counterfeit drug, which is prohibited by law. This includes tobacco and/or vapor products, illegal drugs, controlled substances, alcohol, or intoxicants of any kind. The principal may exclude any student from all extracurricular participation for one (1) calendar year for any violation that involves selling or distributing any quantity of illegal drugs, counterfeit drugs, or controlled substances. Additionally, <u>any violation of school district regulations, state, or federal laws that could have negative implications on the health, safety, and welfare of students in the general school population will also be cause for exclusion from participation.</u> This policy will be subject to enforcement and/or disciplinary action by the administrative and athletic department for twelve (12) months of the year. ANY offenses in violation of this policy are cumulative during a student's participation in extracurricular activities. The consequences listed in this policy are <i>in addition</i> to regular district policies regarding student substance abuse. <u>Ia. First Violation <i>In-Season</i></u> a. Two (2) week suspension from participation in contests or travel of that activity during the AIA sanctioned season. If less than 2 weeks of the season remain, the balance of the two (2) weeks would carry into the next season of competition. b. Immediate removal from any leadership position(s) held in extracurricular activities. Students will be ineligible to hold or run for office in extracurricular activities for the next season of sport. c. The student will be assigned an educational sanction by the Athletic Director which may include an on-line or in person educational course related to the offense. The student will not be eligible until the sanction is complete, and s/he is cleared by the Athletic Director. <u>Ib. First Violation <i>Out-of-Season</i></u> a. Two (2) week suspension from participation in contests or travel in that activity during the AIA sanctioned season once the season starts.

		b. Immediate removal from any leadership position(s) held in extra-curricular activities. Students will be ineligible to hold or run for office in extracurricular activities for the next season of sport. c. The student will be assigned an educational sanction by the Athletic Director which may include an on-line or in-person educational course related to the offense. The student will not be eligible until the sanction is complete, and they are cleared by the Athletic Director. <u>II. Second Violation</u> Exclusion from all participation for up to one (1) calendar year. An extracurricular participation committee will determine eligibility for return to participation for any students who have received a one-year suspension (see appeal procedure below). <u>III. Third Violation</u> Exclusion from all AIA athletic or activity participation up to the remainder of the student's high school enrollment. <u>Self-Referral by Student Athletes/Club Members</u> Students may self-refer regarding student use of tobacco, alcohol, and other drugs. Mingus Union High School will work with students and their families to offer resources. Students will receive the same athletic consequences as a <i>first violation</i> in or out of season but will not receive school consequences. <table><tr><td>Referral is allowed one (1) time in a student's four-year high school career.</td></tr><tr><td>Referral must be only by the student or a member of the immediate family.</td></tr><tr><td>Referral must be before the first in-season or out of season violation.</td></tr><tr><td>Referral cannot be used by students as a method to avoid consequences once a code of conduct rule is violated and a student has been identified as having violated one of the codes of conduct rules.</td></tr><tr><td>Referral must be made to a sponsor or coach, Athletic Director, teacher, administrator, or school counselor.</td></tr></table> <u>Individual Rules</u> Sponsors and coaches may establish additional rules and regulations with the approval of the Principal and Athletic Director for their respective programs. Copies of all additional rules by sponsors or coaches will be on file in the Principal's and Athletic Director's office. These rules pertaining to a particular sport or club must be given by the sponsor or coach in writing to all participants and explained fully at the start or at the time of initial participation in the club or sport. Penalties for violation of rules will also be in writing and shall be administered by the sponsor or coach. <u>Appeal Procedure</u> Students and their parents or guardians may appeal the decision of the administration or Athletic Director to an extracurricular participation committee. This committee of five shall be appointed by the Athletic Director and consist of an Activities Director or administrator, Athletic Director, teacher, neutral coach, and a neutral club sponsor. The appeal will require the following: a. A written appeal must be presented to the Principal within five (5) working days of the initial ruling.	Referral is allowed one (1) time in a student's four-year high school career.	Referral must be only by the student or a member of the immediate family.	Referral must be before the first in-season or out of season violation.	Referral cannot be used by students as a method to avoid consequences once a code of conduct rule is violated and a student has been identified as having violated one of the codes of conduct rules.	Referral must be made to a sponsor or coach, Athletic Director, teacher, administrator, or school counselor.

Attendance	General Guidelines	We make attendance a priority by ensuring your student feels safe and connected while at school. If your student falls behind in attendance, we will respond appropriately based on the number of absences to support your student in getting back on track. • A student must attend 90% of all class sessions to be eligible to receive credit. Therefore, students may not miss a class more than 9 times in a semester. School events/activities or days missed due to disciplinary action do not count towards the 9 absences maximum. Students are responsible for make-up work. • Absences must be excused within 24 hours of the date of the absence. If an absence is not excused within that time frame the absence will then be documented “unexcused.” • A student will lose credit on the 10th absence from a class. A student must complete the appeal process to be considered for restoration of credits. • Appeals will only be granted for extenuating circumstances such as documented chronic illness or long-term illness, court requirements, bereavement. Vacations and non-school-related trips cannot be appealed. • Students are responsible for making up any work that was missed due to an absence.
	Chronic Health Conditions	Mingus Union High School District is committed to providing an appropriate education to all students, including those with chronic health conditions resulting from illness, disease, or accident. Instructional provisions will be determined on an individual basis to ensure continuous learning that is integrated with the regular education program as much as possible. No student, certified by a licensed medical professional as having chronic health conditions, will be penalized for absences if absences are due solely to illness, disease, or accident. Credit will be given for completed course requirements. Students with extended absences may request make-up assignments from the teacher. All required paperwork must be completed by a physician and provided to the School Nurse and Attendance Secretary.
	Reporting Absences	Parents or guardians are to call the Attendance Office on the day of an absence at 928-639-0744 or email attendance@muhs.com. Si necesita ayuda en español, por favor llame: 928-649-4437. If no phone call or email is received, the student, upon return to school, will be responsible for bringing a note from the parent/guardian to the Attendance Office. All absences will be considered unexcused if not reported to the attendance office by the end of the school day. Sign Out Procedures During the School Day: If a student leaves during the school day, <u>s/he must first sign out through the attendance office. In the event of an emergency, all students need to be accounted for. Failure to do so will result in disciplinary action.</u>

		A student <i>may sign out only if:</i> • A parent/guardian has made <u>arrangements PRIOR to the student leaving campus</u> by phone or a note is presented to the Attendance Secretary. A note must include a phone number for verification. • A student is ill, and the office obtains permission from parents/guardian. • A parent/guardian comes in person to sign the student out. • A verifiable appointment card for medical treatment, dental treatment, or a court summons is presented. • The School Nurse has determined the student should go home due to illness; the parent(s)/guardian have been contacted and approved the student leaving campus if they are unable to come to the school and pick up the student.
	Late Entry	Students who enroll in school on the eighth day of a term or later without transfer grades will be registered on audit status and may not be able to earn credit toward graduation. The teacher may appeal for credit if class requirements are met.
	Loss of Credit, Appeal Procedures	A student will lose credit on the 10 th absence from a class. A student must complete the appeal process to be considered for restoration of credits.
	Make-Up Policy	When a student is absent, it is his/her responsibility to arrange for and to make up any work missed. <i>The number of days to make up work is the same as the number of days absent.</i> Teacher approval is required for more time. Teachers may assign office hours to ensure all work is made up and to provide time to explain concepts and assignments that were missed. Parents are encouraged to consult Teacher Google Sites at www.mingusunion.com to view daily work, contact teachers, and arrange for make-up work if an absence is going to be lengthy. Pick up of assignments and books can be facilitated through the attendance office if needed. Homework will not be requested for students absent fewer than five (5) days. Teachers will provide make-up work for students who have lengthy absences due to illness or who are on long-term “off campus” suspension.
	Tardy Policy	Student Responsibilities 1. Arrive to class on time daily. 2. Be in the classroom when the final bell stops ringing. 3. Students will be marked absent after being 10 minutes late. 4. Administrators may excuse a tardy. 5. Students who chronically miss class will be referred to an administrator for corrective action. 6. Students reporting to school late because of a doctor’s appointment or other parent excuse must report to the attendance office with a doctor’s note or a phone call from the parent to excuse the tardy. They are given a pass to class.
	Truancy	Truancy is the deliberate missing of one or more class periods without the expressed permission of the parent/guardian. If a parent/guardian does not call the school or send a note as required, the student will be considered, by default, truant. All absences due to truancy will be considered class cuts. Students under the age of 16 years may be cited for truancy as a support and/or disciplinary measure. Arizona Revised Statute says the following: A. It is unlawful for any child who is between six and sixteen years of age to fail to attend school during the hours that the school is in session, unless either:

		1. The child is excused pursuant to section 15-802, subsection D or section 15-901, subsection A, paragraph 5, subdivision (c). 2. The child is accompanied by a parent, or a person authorized by a parent. 3. The child is provided with instruction in a homeschool. B. A child who is habitually truant or who has excessive absences may be adjudicated as an incorrigible child as defined in section 8-201. Absences may be considered excessive when the number of absent days exceeds ten percent of the number of required attendance days prescribed in section 15-802, subsection B, paragraph 1. C. For the purposes of this section: 1. "Habitually truant" means a truant child who is truant for at least five school days within a school year. 2. "Truant" means an unexcused absence for at least one class period during the day. 3. "Truant child" means a child who is between six and sixteen years of age and who is not in attendance at a public or private school during the hours that school is in session, unless excused as provided by this section. Truancy Consequences: Please see the disciplinary matrix for progression of consequences. Repeated offences may result in removal from classes and/or referral to probation department for truancy and/or incorrigible child. Legal consequences for Truancy - • Citation by the Cottonwood Police Department • Further Law Enforcement intervention; possible fines and incarceration																																																
ACT/State Mandated Testing		Mingus freshmen and juniors will take the state mandated, grade level assessments in Spring 2027. Additional information will be provided. All MUHS students will participate in testing simulations and preparation throughout the school year.

Students may not tamper with the fire alarms, fire extinguishers, security cameras, software, or any electrical systems, including the computer network. Anyone who willfully or negligently destroys school property through vandalism, arson, or larceny, or who creates a hazard to the safety of other students, may face punitive measures and make restitution (pay) for damaged property. Staff members should obtain and report to the administration the names of students who violate the terms of this paragraph. Students participating in social media challenges that promote harm to school, the educational process, and/or staff in any way will be held accountable and may face consequences including suspension and/or possible expulsion. Each student must promptly return all classroom and library books, athletic clothing, supplies and equipment, cameras, musical instruments, and other school equipment and property entrusted or loaned to them. A student shall be responsible for returning such materials in the same condition in which they were entrusted or loaned to the student and shall bear the cost of repairing or replacing the damaged, lost, or stolen materials. Failure to return such materials upon request shall subject the student to disciplinary consequences and the potential loss of privileges.
Cell Phones and Electronic Devices		Cell Phone Policy Possession of or use of personal electronic communication devices by students is permitted provided that: • Such devices do not disrupt the educational program or school activity. • Such devices are kept in the “off” position in the classroom unless or until the teacher has expressly permitted their use. • The devices are permitted by the school administration and are used in accordance with school guidelines. Students will not be dismissed from class to make or answer telephone calls. Students will not take or post on the internet unwanted pictures or videos of other students or staff members with their cell phones or any other device. Such incidents may be referred to law enforcement. Students bring these devices to school at their own risk. If a student has a cell phone or other electronic device on campus or on the bus and it is damaged, lost or stolen, the school and/or district is not responsible, nor does it have insurance to cover students lost or stolen property. MUHS does not investigate these concerns. Students may report theft, damage, or vandalism to the School Resource Officer.

		Students are allowed to use electronic devices before and after school hours. The students may use their devices in the cafeteria area during lunches. Private school and home-schooled children may also access services. If the student is found eligible for school age services an Individual Education Plan or 504 plan will be developed. Questions can be directed to the Special Education Director.
Chronic Health Problems		MUHS is committed to providing appropriate educational opportunities for all students, including those with chronic health problems resulting from illness, disease, or accident, as defined by state statute. Credit is based upon complete course requirements. To implement this regulation, a student with a chronic health problem is: • A student who is unable to attend regular classes for intermittent periods of one or more consecutive days, due to illness, disease or accident, but who is not a homebound student as defined by state statute. The student's chronic illness is reviewed periodically for any change in condition. Administration has the authority to recommend revocation of chronic health status if it is being abused. Chronic health forms are available in the Nurse's Office and must be submitted yearly by a parent/guardian and signed by a Doctor of Medicine.

Dress Code Standards	Dress Standards	Mingus Union High School District believes the primary responsibility for a student's attire resides with the student and parents or guardians. 	Hygiene Standards	Students must comply with the following standards at school and school events: ▪ Students are expected to maintain general hygiene standards regularly so that any lack of personal hygiene is not disruptive to students or staff. Resources are available through the Counseling Office.						
Drugs, Drug Paraphernalia, and/or Alcohol	Drugs and Alcohol	Any person who shall have in their possession or uses tobacco/nicotine products, drugs and drug paraphernalia, or alcohol on school property may be guilty of a felony. At the conclusion of the school year, all medication must be picked up by parent/guardian, or it will be properly disposed of.						
Early Withdrawal		Students are not able to leave school before the end of the semester and receive credit, except in an extreme emergency. You must make special arrangements if such an emergency comes up and you want to withdraw from school before the end of the term. The work needs to be finished to get credit for your class.						

		Your parents must ask for your early withdrawal in writing. The principal must approve the withdrawal before arrangements are made with teachers. Under no circumstances is an early release approved for more than 10 school days. Students who leave before the end of the semester, without making the proper arrangements, will not get credit for the semester's work.																		
Facility Usage		The facilities at MUHS are available for use by clubs, activities, and outside organizations. Requests must be submitted online via a Facility Usage & Request Form by a staff member or adult. After the proper paperwork is submitted and approved, the activity/event will be added to the calendar. Unauthorized use of the facility is prohibited.																		
Fees/Fee Payment		Students are responsible for payment of all class related fees. Any student who does not pay the required fees may be excluded from specific school sponsored activities up to and including graduation.																		
Final Exams		Students may not take semester final exams prior to the time they are scheduled. Students who are absent during semester final exams will receive an F (0%) for the final exam. For the grade to be changed, students must take the final within the first two weeks of the next semester as arranged through teacher and/or administration.																		
FERPA Rights		The Family Educational Rights and Privacy Act (FERPA) is a complex Federal law that protects the privacy interests of parents and students with regard to educational records. Generally, FERPA gives parents the right to inspect and review their children's education records, request amendment of the records, and have some control over the disclosure of information from the records. When a student turns 18 or enters college, FERPA classifies him or her as an "eligible student" and transfers the rights under the Act from the parent to the student. FERPA requires school districts to notify parents and eligible students annually of their rights under the Act. When you turn 18 years of age, you have the right to your FERPA records.																		
Fire, Lockdown Drills and Emergencies		State laws require periodic fire/evacuation and lock down drills. During fire/evacuation drills, students and faculty are to file out of the buildings in an orderly manner and meet in a designated evacuation area. During lockdown drills, students are expected to follow teacher instruction and stay in the classroom. All drills and authentic crisis should be treated in the same manner. Cell phone usage is discouraged during an emergency until authorized by MUHS Staff. This is done so that miscommunication will not negatively impact the situation. Students, staff, and families will be notified of a fire drill or real emergency by the PA system and other emergency applications. Emergency Action Responses are posted in every classroom. Students and staff will be trained on responses to emergencies.																		
Grades		All courses taught for credit receive a letter grade or a pass/fail option. The final examination may not count for more than 20% of the final grade. Grade point values and the percentage used to determine each grade are listed below. <table> <tr> <th>Percentage</th><th>Letter Grade</th><th>Value</th></tr> <tr> <td>90-100%</td><td>A = Superior</td><td>4.0</td></tr> <tr> <td>80-89%</td><td>B = Above Average</td><td>3.0</td></tr> <tr> <td>70-79%</td><td>C = Average</td><td>2.0</td></tr> <tr> <td>60-69%</td><td>D = Below Average</td><td>1.0</td></tr> <tr> <td>0-59%</td><td>F = Failure</td><td>0.0</td></tr> </table> I = Incomplete, maximum length of time to make up a course is 10 school days W = Withdrawal from class, W/P = Withdrawal Passing, W/ = Withdrawal Failing	Percentage	Letter Grade	Value	90-100%	A = Superior	4.0	80-89%	B = Above Average	3.0	70-79%	C = Average	2.0	60-69%	D = Below Average	1.0	0-59%	F = Failure	0.0

Graduation Recognition		Students are recognized at graduation for academic achievement. Students are awarded a gold, silver, or bronze tassel based on their cumulative GPA after seven semesters of high school.																		

Hallways	Students are expected to be in class when the tardy bell rings and remain in class during the entire instructional period. Leaving class should be an extremely rare occurrence. When a student receives permission from a teacher to leave the class, they must be sure to obtain a pass from the teacher, have their student ID card, and be prepared to show this pass and ID card whenever requested by anyone in authority. A student with no pass will be out of class without permission. This may result in disciplinary action. Hallway etiquette and behavior that respects the rights of others are required. All students and staff have the right to an unobstructed, safe passage through clean hallways. Hallways are to be treated as passageways as a priority.
Hazing	There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing of any person enrolled, accepted for or promoted to enrollment, or intending to enroll or be promoted to District schools within twelve (12) calendar months. Coaches/Activity Directors will educate their students regarding hazing and will make clear that participation in hazing will result in dismissal from that activity. For purposes of this policy a person as specified above shall be considered a "student" until graduation, transfer, promotion, or withdrawal from the district school. <u>Definitions</u> "Hazing" means any intentional, knowing, or reckless act committed by a student, whether individually or in concert with other persons, against another student and in which both of the following apply: ○ The act was committed in connection with an initiation into, an affiliation with, or the maintenance of membership in any organization that is affiliated with an educational institution. ○ The act contributes to a substantial risk of potential physical injury, mental harm, or degradation, or causes physical injury, mental harm, or personal degradation. "Organization" means an athletic team, association, order, society, corps, cooperative, club, or similar group that is affiliated with an educational institution and whose membership consists primarily of students enrolled at that educational institution. <u>Directions</u> It is no defense to a violation of this policy if the victim consented or acquiesced to hazing. In accord with statute, violations of this policy <u>do not</u> include either of the following: ▪ Customary athletic events, contests, or competitions that are sponsored by an educational institution. ▪ Any activity or conduct that furthers the goals of a legitimate educational curriculum, a legitimate extracurricular program, or a legitimate military training program. All students, teachers, and staff shall take reasonable measures within the scope of their individual authority to prevent violations of this policy. <u>Reporting/Complaint Procedure</u> Students and others may report hazing to any professional staff member. Professional staff members must report the incident to the school administrator or next higher administrative supervisor, in writing, with such details as may have been provided. A failure by a staff member to timely inform

		the school administrator or next higher administrative supervisor of a hazing allegation or their observation of an incident of hazing may subject the staff member to disciplinary action in accord with District policies. The staff member shall preserve the confidentiality of those involved, disclosing the incident only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law. Any instance of reported or observed hazing which includes possible child abuse or violations of statutes known to the staff member shall be treated in accord with statutory requirements and be reported to a law enforcement agency. A person who complains or reports regarding hazing may complain or report directly to the school administrator or to a professional staff member. The professional staff member receiving the report/complaint shall retrieve sufficient detail from the person to complete the form designated for such a purpose. At a minimum, the report/complaint shall be put in writing containing the identifying information on the complainant and such specificity of names, places, and times as to permit an investigation to be carried out. When a professional staff member receives the information, the staff member will transmit a report to the school administrator or supervising administrator not later than the next school day following the day the staff member receives the report/complaint. The report/complaint will be investigated by the school administrator or a supervising administrator. The procedures to be followed are: ▪ An investigation of the reported incident or activity shall be made within ten (10) school days when school is in session or within fifteen (15) days during which the school offices are open for business when school is not in session. Extension of the timeline may only be by necessity as determined by the Superintendent. ▪ The investigator shall meet with the person who reported the incident at or before the end of the time period and shall discuss the conclusions and actions to be taken as a result of the investigation. Confidentiality of records and student information shall be observed in the process of making such a report. ▪ The investigator shall prepare a written report of the findings and a copy of the report shall be provided to the Superintendent. ▪ All violations of this policy shall be treated in accord with the appropriate procedures and penalties provided for in District policies related to the conduct and discipline of students, staff, and others.
Immunizations		Arizona law requires documentary proof of immunity against certain childhood diseases for students entering Arizona schools for the first time. With some exceptions, students subject to this requirement who lack documentary proof may enroll but not attend school until proof is provided.
Insulting a Teacher or Disturbing School		A person who knowingly insults or abuses a teacher or other school employee on the school grounds or while the teacher is engaged in the performance of his duties is guilty of a Class 3 misdemeanor. (A.R.S 15-507).
Internet and Network Access		MUHSD maintains a filter that blocks harmful content on the Internet from students. When you sign this agreement and bring in your own device, you will be allowed to use the district-supplied, filtered network for Internet access at your school, if available. The district reserves the right to monitor use of the district's systems for improper use without advance notice or consent. Your signature indicates your understanding that any activity that occurs with the use of the district's internet and network systems are not private and may be accessed by the District for the purpose of ensuring proper use. Your signature also indicates

		your understanding that we cannot filter any non-district network connections (such as 3G or 4G) that may be already present on your device, and that you agree to follow the Acceptable Use Policy and all other related MUHSD policies related to Internet use, regardless of the network you use. Use of electronic devices outside of these conditions is not allowed, can be considered a distraction to instruction, and will be handled as already described in the Student Handbook.
Leaving Campus without Permission		School officials have a responsibility for the supervision of all students during school hours. For this reason, leaving school property during school hours is viewed as a serious offense. Parents rightfully assume that their own child is observing their assigned schedule and is remaining on school property unless dismissed for valid reasons. An unauthorized exit from the building will result in disciplinary action. Note: A student who misses a scheduled class(es) because of the above violation is subject to disciplinary action for class cuts, where appropriate. Attendance cannot be excused if a student is found off campus without permission.
Library		Students are invited to become acquainted with the library and to use its services regularly. The library clerk is always available to help students and staff with research and recreational reading. Maintaining a learning environment and taking proper care of materials is the responsibility of each student and staff member. A pass is not required before or after school, but all students need a pass during regular school hours while classes are in session. School rules for behavior always apply to the library. Students MUST have an educational purpose to use the internet. A student ID is required to check out any materials. Food and drink items are not permitted in the library. The MUHS Library is part of the Yavapai Library Network and students have access to materials from 41 other libraries in Yavapai County. Students may place a “hold” on items from other libraries using the electronic library catalog. These items will be transferred to MUHS library for the student to check out. Library resources include books and resources appropriate for high school students. Students have access to all library materials via their library card.
Lost and found		Loss or theft of any item should be reported to the front office immediately. If any article of value is found, it should be taken to the front office at once. Students should check in the front office if they have lost anything since many articles go unclaimed each year. <i>MUHS cannot assume responsibility for students' personal property and items while on campus (e.g.: automobiles, bikes, cycles, clothing, backpacks, purses, locker contents, electronic devices, etc.) and will not go to extraordinary lengths to recover lost items.</i>
Movies/Videos/ Electronic Materials		Movies, videos, and electronic materials with ratings other than for general audiences of all ages are not to be shown in classrooms or at any District facility (this includes buses and motels where students are present) except when: • The movie, video or electronic material has been previewed by the teacher or other certificated staff member. • The movie, video or electronic material has been determined to not contain material that is objectionable or inappropriate for the age group to which it is intended to be shown. • The responsible school administrator has approved the use of the movie, video, or electronic material prior to its showing. • The teacher or other certificated staff member has provided advance notification to each student's parent(s), or other responsible adult, of the title of the movie, video or electronic material and the date on which it will be shown. • When a movie, video or electronic material has a rating, the above advance notification will include the rating and the source providing the rating.

		• A student whose parent(s) or other responsible adult has provided notice of their disapproval will not be permitted to view the movie, video, or electronic material. Parents have the right to request that their child not view any movie or video, regardless of its rating or the purpose for which it is to be shown. A parent or guardian who objects to any learning material or activity on the basis that it is harmful includes objection to a material or activity because it questions beliefs or practices in sex, morality, or religion or, because of sexual content, violent content, or profane or vulgar language, may request to withdraw that student from the activity or from the class or program in which the material is used and request an alternative assignment. Please reference MUHS Board Policy IJND and INJD-R.
Nurse's Office and Health Services		Our priority in providing health services on our campus is to keep your student safe and healthy in a nurturing school environment. Teachers will send students who are ill to the Nurse's Office first, the front office second. <u>Students must not leave school ill or injured without signing out at the Attendance Office.</u> Specific procedures and permission forms are required for the School Health Office to administer any prescription medications; be aware that written orders from the prescribing physician are required if students are to receive such medications during school hours. Over the counter medication will only be administered if it has been brought to the nurse's office from the student's home. Mingus Union High School will not provide any medication; all medication must be provided by the student/parent. Contact the School Nurse at 928-649-4441.
Off-Campus Jurisdiction (Good Neighbor Policy)		In accordance with state law, violations in conduct by students going to and from school could result in disciplinary actions. School rules and other reasonable expectations of acceptable student behavior are extended to include student conduct while off campus during the regular school day or at any school sponsored event. This includes the students' conduct while going to and from school, during the lunch hour and released periods and any off-campus school related activity. A student may be disciplined by the school for any misconduct while off-campus at the times specified above. Additionally, if student activity on social media after school hours disrupts the educational environment, administration may intervene as necessary.
Parent Contact with Teachers		Direct and frequent communication between the school and a student's home greatly enhances a student's motivation and success. Parents are asked to give 24-hour notice when making an appointment with individual teachers. It is inappropriate for parents and students to make uninvited visits or phone calls to teachers at their homes. Meetings with your child's teachers can be arranged via the Counseling Department or by calling individual teachers, or through e-mail. Please do not put teachers or students in an awkward position by dropping in during instructional time. Teacher contact information is available on our school website www.mingusunion.com and can also be found in each teacher's course syllabus. Parent conferences are scheduled for September 12 and 13, 2024 and February 13 and 14, 2025. Please update your contact information (email, phone, address, etc.) with the school's front office to be sure you are receiving all the communication being sent by your school and the Mingus Union High School District.
Parking		Student parking on school grounds is a privilege limited to students who possess a valid driver's license and vehicle insurance. Students who want to park on campus must obtain a permit prior to utilizing the parking area. Student vehicles

		parked on school grounds must be registered with the school and display permit if provided. A \$75 fee is required to park at MUHS. On-campus parking is permitted only in designated locations. Vehicles parked in other than designated areas or in restricted zones will be subject to removal. Any vehicle parked in a manner that will block or hinder the safe movement of others will be subject to removal. Vehicles not parked in assigned spaces are subject to ticketing, blocked wheels, and/or removal. Students who drive vehicles to school park at their own risk and must understand that neither the school nor the Governing Board can be held responsible for the vehicle. Any vehicle illegally parked may be impounded. Keep your car locked. Do not leave books or other valuables in your car. Report immediately, in writing, any incident involving vehicles to the security personnel or Dean of Students. The use of cars or motorcycles for cruising around during the lunch period, before school, or during the school day is forbidden. A student peeling out, speeding, or creating any safety concern will be subject to disciplinary action including suspension or revocation of parking permit. The speed limit on campus is 5 m.p.h. Students may park in the unpaved lot across Camino Real – without a fee – but must use the crosswalk to gain access to campus. Students parking in the dirt lot will be required to register their vehicle(s) with the school. All parking lot behavioral and safety expectations apply to the unpaved lot. Please be aware that the west building gates will be locked during school hours. Security staff will be available to assist with students arriving to and leaving campus at designated times. Students are given information about parking regulations when a permit is issued. A violation of any regulation may result in suspension of the parking privilege, school disciplinary action, and citation by local law enforcement. <u>Students may not trade, sell, or loan parking spaces!</u> Students who do not register and pay for parking or who park in a space not registered to their vehicle will receive one (1) warning citation for parking violations. After the first warning students will be fined \$5.00 for the first violation. Subsequent parking citations fines will double with each citation. Students may appeal fines after the third citation to a review committee of staff and students. Students who continue to have parking violations will lose parking privileges for a period determined by the review committee up to the remainder of the current semester. All fines will be added to the student's bookstore account. If returning, students with outstanding balances at the end of a prior school year will not receive a parking space for the next school year until the account is paid in full. Seniors will have to pay fines as part of their checkout procedure prior to graduation. Students may not loiter in the parking lot. Loitering is defined as being in the parking lot while not in the process of arriving, departing, or participating in a school activity. Neither the school nor the district is responsible for theft or damage to any vehicle or its contents when a student, parent, or other visitor parks the vehicle on campus. Search of a Motor Vehicle: A school administrator may search a motor vehicle at any time, without notice and without consent.
Public Displays of Affection		Public displays of affection are inappropriate. Parents may be contacted if students are involved in public display of affection.
Release Time (schedule)		An open release time (when approved by administration) will be permitted only at the beginning or end of a student's schedule. Every MUHS student has a sequential daily class schedule with no "holes" in it.
Safety Glasses		Safety glasses are necessary in all our trade and industrial classes and many of our science and art classes. Students signed up for these classes will be required

		to use safety glasses whenever the class situation necessitates it.
Schedule Changes & Dropping Classes		Changes in student schedules are allowed only under certain circumstances. These include: • Missing a prerequisite class • Missing a class needed for graduation or college entrance. • A class that was completed in summer school or online is on your schedule. • Administrative reasons, balancing of classes. Search and Seizure		Students possess the right to privacy of person, as well as the right to freedom from unreasonable search and seizure of property, as guaranteed by the Fourth Amendment of the Constitution. These individual rights, however, are balanced by the school's responsibility to protect the health, safety and welfare of all students and staff. A student's person, backpack, cellphone, vehicle, or other belongings may be searched (per JIH Student Interrogation) if there is reasonable suspicion that the search will produce evidence that the student has violated a law, Governing Board policy or school rule. A desk or locker is district property and may be inspected at any time as part of a student search or to ensure that the desk or locker is in sanitary condition and proper working order. Items searched will be promptly returned to the student, unless the school must take temporary custody of an item, such as a cellphone, to obtain evidence from it or a law enforcement officer requires possession of the item as part of a criminal investigation.
Security Cameras		To promote school safety and security, Mingus Union High School District operates and maintains surveillance video cameras throughout the school campus in hallways and exterior locations. These cameras are used to record images 24 hours a day, 7 days a week. Recorded images are reviewed in cases of risk to safety or security and may be used in disciplinary investigations resulting in disciplinary action.
Senior Pranks and Senior Ditch Days		The Mingus Union High School District does not sponsor nor approve of any type of Senior Prank or Senior Ditch Day. Participation in such activities may result in school discipline, denial of participation in school sponsored activities including graduation ceremonies, and involvement of the police if the offense is criminal in nature. We want to celebrate our seniors appropriately and respect the school and continuing students and staff in the process.
Signatory Rights of 18-Year-Old Students		When students reach the age of eighteen, they are presumed to be adults and may exercise their rights independently of their parents. If the student over eighteen intends to exercise their rights independently, the student must make such requests in writing to the school principal or superintendent, who shall honor such requests. If the student intends to exercise the right to dismiss themselves from school, the school may contact the parent or guardian to indicate that this right has been invoked.

Students who fail to comply will be subject to disciplinary action. There is a one-time free student ID per school year and after that there is a \$5.00 fee for each replacement.

		Students who are eligible to leave campus during lunch must have their off-campus lunch card in their possession to leave.
Student Records		Access to educational records is governed by federal law (Family Educational Rights and Privacy Act). Parents and students 18 years of age or older have the following rights in connection with educational records: 1. To inspect and review the student's educational records. 2. To request amendment of the student's educational records to ensure that the records are not inaccurate, misleading or in violation of student's rights, including the right to a hearing, if necessary. 3. To consent to disclosure of personally identifiable information contained in the student's educational record, with the exception of information deemed "directory information" may be disclosed without consent unless the parent/eligible student directs in writing that this information not be made public without prior consent. Disclosure may also be made without consent in certain circumstances allowed by FERPA. 4. To file complaints with the US Department of Education. Divorced parents have equal rights relating to student's records unless school has been provided a court order to the contrary.

(A.R.S. 36-798.03)

Guidelines for Student Behavior

To assist you and others in the pursuit of a quality education, we have established some guidelines for student behavior. These guidelines are based on existing policies and procedures of the district and are designed to create a pleasant and safe environment for all students in our schools.

The Governing Board and Mingus Union High School District believe that student rights must be balanced with student responsibility. Students have the right to:

- Equal treatment,
- Equal access to the educational program, and
- Due Process

Students also have, to a more limited extent, freedom of expression and association.

Expectations of Students

You as a student play the biggest role in your academic success at Mingus Union High School. Students are expected to exhibit the following GOLD STANDARD EXPECTATIONS:

- Guard our Gold (Safety):
 - See something, say something,
 - Follow safety guidelines, &
 - Always keep Student ID on their person.
- Own Your Choices (Responsibility):
 - Be prompt, be prepared, pay attention,
 - Use technology & electronics appropriately,
 - Food and drinks in designated eating areas, &
 - Dress for the learning environment
- Love Each Other (Respect):
 - Be an active listener,
 - Respect diverse perspectives,
 - Enter and exit courteously, &
 - Use appropriate language

- Do the Right Thing (Integrity):
 - Encourage self and others,
 - Maximize every opportunity,
 - Practice honesty, &
 - Leave it better than you found it

You must remember that you are responsible for your own actions. If your actions are in violation of school rules and regulations, you will have to accept the consequences.

You should understand that Arizona law allows the district to hold you accountable for your behavior on school property, on the way to and from school, during any school-sponsored activity, at school bus stops, and in other locations outside school grounds if the behavior has a negative impact on other students, teachers, or school activities.

Teachers will provide guidelines and expectations to students for each class. Students who fail to meet expectations for appropriate behavior will be assigned consequences by the teacher. Students will be referred to an administrator for insubordination, failing to serve teacher-assigned consequences, or acts that may warrant suspension.

When a special education student engages in misconduct that could result in suspension or expulsion, the district shall follow state and federal laws governing suspension and expulsion of special education students.

The school's response to inappropriate behaviors is subject to change by the direction of Mingus Union High School's District #4 Governing Board.

Student Use of Physical Force in Self-Defense (Policies GBEBB, JK, & JK-R)

Reasonableness of use of physical force in self-defense, defense of others, and defense of property will be considered as a mitigating factor in determining penalties for misconduct. The threat or use of physical force by a student is not reasonable:

- When made in response to verbal provocation alone,
- When assistance from a school staff member is a reasonable alternative, or
- When the degree of physical force used is disproportionate to the circumstances or exceeds that necessary to avoid injury to oneself or to others or to preserve property at risk.

Any administrator, teacher or other school employee entrusted with the care and supervision of a minor may use reasonable and appropriate physical force upon the minor to the extent reasonably necessary and appropriate to maintain order. Use of physical force shall not be construed to constitute corporal punishment. Similar physical force will be appropriate in self-defense, in the defense of other students and school personnel and in the prevention and termination of the commission of theft or criminal damage to the property of the district or the property of persons lawfully on the premises of the district.

It shall be the policy of the Governing Board of the Mingus Union High School District that repeat offenders of any school regulation may be subject to progressive disciplinary consequences, including long-term suspension, expulsion, or placement in an alternative education setting in accordance with district policy and applicable law. All decisions of the Governing Board will follow due process procedures.

Upon expulsion, a student is not permitted on district property or at district functions unless the Governing Board has readmitted the student to school.

Prior Misconduct

Occasions of prior misconduct where a student has previously received discipline can be considered in subsequent student disciplinary proceedings to justify additional disciplinary consequences where it is established.

1. The student has not benefited from prior usually less severe disciplinary intervention, as demonstrated by a lack of in the negative behavior, or
2. The student is engaging in continued disruptive or disorderly behavior. A student who continually displays a blatant disregard for the school process by continually behaving in such a manner that results in multiple disciplinary referrals will be considered for long-term suspension.
