

Curriculum, Instruction and Assessment May, 2026

Professional Learning

- District leadership day is June 16.
- District leadership will have their annual legal update on July 27.
- Teacher leaders will be working in May and June to ensure alignment with standards and assessments. Curriculum materials will be reviewed and planning for the next school year will occur.
- Kindergarten teachers and staff received two days of training in Fueling Brains Executive Functioning.
- New Pre - K and Kindergarten teachers will have the opportunity to be trained in August in Fueling Brains.
- The Texas Reading Academy wrapped up on May 4. A new cohort began May 5. This cohort will consist of 2nd year teachers or any teacher new to K-3rd grade.
- Prep Mentor Training will occur for mentors in July.

Curriculum and Instruction

- HMH (Houghton Mifflin Harcourt) is the reading adoption purchased for K-5 literacy. Teachers will have the opportunity to receive training on the materials this summer or in August after school starts. Ongoing 24-7 support with a HMH literacy coach will be provided for each campus throughout the 2026-2027 school year in order to help support implementation.

Assessment

- **State:**
 - TELPAS, STAAR EOC and STAAR testing for the district has been completed.
 - All scores are anticipated to be released at the end of May 2026.
