

Admin Reports to the Board

April 2026

Kyle Luedtke Superintendent	<ul style="list-style-type: none">● On April 12 Community Ed provided an Elvis impersonator show. Well over 300 people attended. The tickets were \$20 in advance and \$25 at the door. A portion of the cost was offset by a grant Sheila Beecroft wrote.● We have 4 applicants for the Pupil Service Director/Special Education Director. I conducted one interview this week and have another one scheduled for Friday.● We had a fraudulent check pass through our checking account. It was a second check with the same check number. Libby Cheever is working with our bank and Polk Co. Sheriff Dept. on this open case.● On March 19 as a follow up from our Facility and Grounds Committee meeting Carl Eklof and I met with Market & Johnson about our current track and practice football field. Market & Johnson were going to start preparing numbers for various options and features. They also were planning to take a bore sample of our current track to determine the integrity of the base of the track.● Next week I will be attending the WASDA spring conference in Elkhardt Lake. The conference runs Wednesday through Friday.
Erin Hansford Elementary Principal	<ul style="list-style-type: none">● The PTO STEAM Night was another great success with about 300 people passing through our Elementary School. We had many staff members running booths and helping with this event.● We should be all wrapped up this week with the WI Forward Exam. Our staff put in a lot of effort to help students maintain resilience and perform at their best. We are celebrating with ice cream sundaes on Friday afternoon.● The Northlakes Dental Clinic will be onsite tomorrow for students.● The 4th and 5th grade music concert also performs tomorrow night at 6pm.● Human Growth and Development will be presented by Polk County Health in May to 4th, 5th, 7th and 8th grade students. Families will have the opportunity to opt out of this content if they so choose.
Marcus Cornelius 6-12 Principal	<ul style="list-style-type: none">● FBLA State just finished 2 students made final round qualifying● High School Solo and Ensemble was at Somerset and the Bells team qualified for state.● College and Career Fair at Siren for 9-11● State testing finished up and ACT is also done!● 2 National placers for powerlifting● Large Group and band earned a 1, which was the first 1 in many years.● Teachers are working on curriculum for next year, taking inventory and assessing needs. They are also working on their classroom budgets.● Home Track meets the next 2 weeks and our softball and baseball teams have been working hard● Course description guide is updated except for final grad requirements to be put in and tech math for next year (looking for curriculum)
Jada Anderson Pupil Services Director	<ul style="list-style-type: none">● The last round of AimsWeb was completed for the school year and data chats were conducted. Huge highlights included growth in many grade levels for Math and Reading as well as no students in grade 4th and 5th are requiring a Tier 3 reading intervention! This progress and growth is a huge credit to our teachers refining their universal practices and our intervention system being data driven.

| | <ul style="list-style-type: none">• I completed an off boarding meeting with CESA 11 for our JFN notification. During that time we talked about transitions in Frederic with me leaving, and them being supportive during that process. There are many meetings I had with CESA throughout the years to ensure that our systems are working and refined, so moving forward we will want to keep that connection with them as they are a huge asset to our growth! |
