CAMPUS PROFESSIONAL DEVELOPMENT TEAMS

Role of the Campus Professional Development Team

Each CPDT will:

1. Prioritize campus instructional needs.
2. Serve as liaisons between their campus and the District's instructional/leadership departments to ensure the academic vision and mission for the District is realized through ongoing support for effective implementation.
3. Relay expectations and guidelines for instructional practice (i.e., special education policy updates, Multi-Tiered Systems of Support [MTSS] information, etc.) to their local campus colleagues.
4. Provide input for continuous quality improvement to the District instructional and leadership department teams.

THANK YOU!
