

Community Education Update
July 20, 2026 School Board Meeting

Greetings from Community Education,

Wrapping Up Summer Programs

Our summer programs are entering their final weeks, it's hard to believe how fast the summer has gone. Summer programming is truly a team effort, and we want to thank everyone involved. Your time, energy, and dedication have made a meaningful impact and are greatly appreciated.

Welcome

We would like to welcome Allie Frisbie to the FES staff. Allie will be teaching a 3-year-old preschool section and ECFE classes with Lori Steen.

Summer Fastpitch

The summer fastpitch season is coming to an end as our teams will be playing their last games of the season on July 16th and 21st. I want to highlight our volunteer parent coaches for their dedication and commitment to our young players. Also, great job to all our players for their hard work, the future is looking bright for Foley Falcon Fastpitch.

FKC Summer- Field Trips

One of our goals for our summer Falcon Kids Care program is to create new memories and adventures for our students. Chloe Adelman and the entire FKC staff have done a wonderful job with this by providing field trips to the Foley Fun Days, Foley Pool, Foley Library, St. Cloud Rox game, Safari North Zoo, Great River Bowl, Elm Creek Park, and the Benton County Fair!

Student Placement Letters

Preschool and ECFE final placement letters will be emailed to parents/guardians at the beginning of August. The final placement letter will include teacher letter, section placement, tuition letter, and information about open house and orientation days.
