From: CJ Heaton, Deputy City Administrator of Public Works  
Date: 6/9/26  
Re: 12<sup>th</sup> and Park Street Stop Sign

After reviewing comments regarding the location of a new stop sign on Park Street, staff recommends installing one at 12<sup>th</sup> and Park. After this item was tabled at the May 12<sup>th</sup> meeting, staff revisited the traffic study. Mayor Rump also spoke with school officials who felt that the sign would provide a better benefit being at 12<sup>th</sup> Street.

**Financial Impact:** Cost of stop signs

**Recommendation:** Approve the installation of stop signs on Park street at 12th Street, making it a 4 way stop.
