

Jill Brodersen
O'Neill Public School
Special Education Director
Sixpence Coordinator

April 2026

- Current Special Education Count: 190
- 17 IEP's, 1 IFSP's since last board mtg
- Autism conference was attended and lots learned
- Heather Larsen, Brandi Bowder, Jill Langan, and myself toured a few tier 3 schools in Columbus for ideas. I am so proud of our O'Neill sped department as they rank right up there with the BEST
- We had our NDE zoom about our Monitoring this past school year - they gave us some items that need tweaked on IEP's but most all of them were new changes to the IEP's that were unknown until this semester - we will receive our formal letter May 1
- ESU 8 and Megan Dufek are helping us complete our SPED TIP goal submission
- Jill Langan is finalizing the Spring Sprint plans and we are able to take some elementary students this year
