Subject: Resignation

Hello,

I spoke with Zach, and he said to reach out to both of you. I have greatly appreciated the opportunity to be an assistant coach at MCMS. With the birth of my son this February, I don't feel confident I can fulfill the time commitment required for the middle school baseball season, so I will be resigning. However, if I would be able to, I would like to still be on the volunteer list to be able to be as active with the team as my schedule allows. Thank you.
