NSBSD Strategic Plan Goal: We will continually strengthen the recruitment, retention and professional development of highly effective staff.

NSBSD Strategic Plan Goal 3: Improve the hiring and on-boarding process for all employees by incorporating elements from the human resources audit.

Background:

Board Policy 4111 Recruitment and Selection (Certificated Personnel) states:

The District shall employ the most highly qualified person available for each open position. The Superintendent or Designee shall develop recruitment and selection procedures to ensure that every effort is made to find and hire fully qualified teachers for all classrooms, which include:

1. Assessment of the district's needs to determine those areas where specific skills, knowledge and abilities are lacking;
2. Development of job descriptions that accurately portray the position, including requirements that a teacher be highly qualified in accordance with federal and state law;
3. Dissemination of vacancy announcements to ensure a wide range of candidates, when necessary;
4. Screening procedures that will identify the best possible candidate for interviews;
5. Interview procedures will determine the best qualified candidate for recommendation to the Board.

Staff members involved in the selection process shall recommend only those candidates who meet all qualifications established by law and the Board for a particular position. Nominations for employment shall be based upon appropriate screening devices, interviews, observations, recommendations from previous employers, background and reference checks, and any requirement of applicable collective bargaining agreements.
