Dear Mitchell:

Thank you for the opportunity to propose lease figures for your prospective technology acquisition. We have supported hundreds of schools with cost effective and creative lease structures and we have a great relationship with Xerox.

The lease structures below are based upon equipment costs in the Xerox quote and the present spread over like term market indexes. The lease is also subject to tax exempt municipal lease documentation, the first payment due at closing, a \$799 documentation fee and credit approval.

Structure	Equipment Cost	Term	End of Term	Payments	Remarketing Rebate available
Municipal Lease +	\$201,210	5 years	\$1 purchase or option to sell back for Remarketing Rebate	\$45,047 per year	yes
Municipal Lease +	\$201,210	60 months	\$1 purchase or option to sell back for Remarketing Rebate	\$3,869 per month	yes

**Municipal Lease +** is a favorable structure for many schools. The value of our Full Cycle Solution is found not only in the competitive lease rate but also our end of lease remarketing. **You own the equipment and when you are ready to retire the assets, we will:**

- Pick up the equipment.
- Audit the units by serial number.
- Provide a detailed condition report.
- Maximize your return using multiple avenues of resale.

If you'd like to see alternative structures, please ask. Your satisfaction is important to us.

Sincerely,

John Vonder
