RE: Award for Seismic Rehabilitation Grant Program, Alsea School West Classroom Wing

Dear Superintendent Knudson:

Congratulations! The above referenced project was chosen for funding in this round of Seismic Rehabilitation Grant awards. The bond sale to fund the May 2026 awards is scheduled for June 2026. After the sale the project will be receiving a grant in the amount of \$2,493,200.

The legal obligations for funding and for reimbursement of project expenses are subject to execution of a contract between the district and the State of Oregon acting by and through the Oregon Business Development Department – Infrastructure Finance Authority.

Once the bond sale has been completed contract documents will be delivered to you for your review and signature. **Funds cannot be spent for any project activity that will be using the grant funding until the contract has been fully executed.**

As a reminder, the project is also subject to review and compliance with the Oregon State Historic Preservation Office. The Oregon SHPO Clearance Form is available for download on their web site or by contacting me at (503) 986-0132 or gloria.zacharias@biz.oregon.gov

We are pleased to be able to offer this assistance to your facility and the community. We look forward to partnering with you to complete this vitally important project.

If you have any questions or need further information please let me know.

Sincerely,

A handwritten signature in black ink that reads "Gloria Zacharias". The signature is fluid and cursive, with the first name being more prominent.
