CONSENT AGENDA SHEET

RE: Discussion and Consideration of Special Education Virtual Homebound Waiver

Supporting Documents:

- N/A

District Goals*:

By 2028, 90% of Manor ISD scholars will graduate prepared for college, career, and/or military services based upon their individual goals.

Background Information:

The ARD Committee determined that virtual Homebound Instruction is the most appropriate method to provide a Free Appropriate Public Education (FAPE) while addressing the student's disability-related needs. TEA requires Board approval prior to submitting a waiver request for virtual Homebound services. Therefore, Special Programs Administration requests Board approval of the TEA waiver application for virtual Homebound Instruction as recommended by the ARD Committee.

Fiscal Implications:

N/A

Administrative Recommendation:

Approval of the Virtual Homebound Waiver

Motion Language:

I move that the board approve the virtual homebound waiver.
