Re: Lawn Care Recommendation 2025

I would like to recommend Andy's Lawn Care for the 2025 lawn care season for HLWW School District. Andy's is our current vendor and has provided lawn care services for us for several years now. They continue to do a very good job with our facilities. They are a local based company and support the district with a low-cost alternative to lawn care maintenance. We are renewing a second year contract with Andy's with a slight increase (\$3,448) over last year; which is still a lower cost option overall compared to the other vendor who sent an estimate last year.

Thank you for your consideration of this request.
