

ISD 698 Floodwood School District

Superintendent Report

Mrs. Susan Hoeft

June 29, 2026

As I prepare to retire and conclude my time as Superintendent of Floodwood School District, I want to express my sincere gratitude to our students, staff, families, School Board, and the entire Floodwood community.

Serving this district has been one of the greatest honors of my career. Together, we have faced challenges with determination, celebrated accomplishments with pride, and remained focused on what matters most—providing the very best opportunities for our students.

During my time in Floodwood, I have had the privilege of working alongside dedicated educators and staff whose commitment to children inspires me every day. I have watched students achieve remarkable successes in the classroom, on the stage, on the athletic field, and in our community. I have also witnessed the unwavering support of parents, volunteers, and community members who continually demonstrate that our school is the heart of Floodwood.

Together, we strengthened the district through sound financial stewardship, secured grant funding that expanded opportunities for students, invested in facility improvements, and positioned the district for a strong future. These accomplishments were possible because of the teamwork, trust, and shared vision of so many people.

I am especially grateful to the School Board for their leadership and support throughout my tenure. While we did not always face

easy decisions, we remained committed to doing what was best for students and ensuring the long-term success of the district.

As I retire, I do so with great confidence in the future of Floodwood School District. The collaboration with neighboring districts, ongoing facility improvements, dedicated staff, and engaged community provide a strong foundation for continued success. I know the district will continue to grow and thrive.

While retirement marks the end of this chapter, I will always be proud to have been part of the Floodwood family. I look forward to watching the district continue to achieve great things in the years ahead.

Thank you for your trust, your partnership, and your commitment to our students.

With heartfelt appreciation,

Susan Hoeft
Superintendent (Retiring)
Floodwood School District
