RE: Playground Equipment Located at Alpena County Fairgrounds

District #1
Commissioner
Bill LaHaie

Dear Alpena Optimist Club Representatives,

We have attempted to reach out to discuss the matter of the playground equipment owned by the Alpena Optimist Club, currently located at the Alpena County Fairgrounds. Unfortunately, we have not been able to connect for the purpose of setting up an in-person meeting, which was our preference. For that reason, we are resorting to a letter to be delivered by way of the United States Postal Service.

District #2
Commissioner
Dan Ludlow

It was recently brought to the Alpena County Board of Commissioners attention that the playground equipment needs attention. As these items were placed by the Alpena Optimist Club, we do not want to act without first obtaining written correspondence outlining the Club's plans and/or forfeiture in order to allow the County to proceed accordingly. We respectfully request a response indicating its intentions regarding the playground equipment. If no response is received, the Board of Commissioners will consider the Club to have no further interest in the playground and/or equipment.
