

## EXECUTIVE SUMMARY

<b>Meeting Date:</b>	June 11, 2026
<b>Agenda Item:</b>	Logos Public Charter Contract Update
<b>Item Type:</b>	Information
<b>Administrator:</b>	Todd Bloomquist
<b>Objective:</b>	Logos Public Charter Contract Renewal Update

**Background:** Logos Charter School submitted its request for charter renewal to the District on December 11, 2025.

The District responded on December 11, 2025, and again on January 8, 2026, requesting additional clarification and supporting information. The District also notified Logos that several requested modifications would require further discussion.

The required public hearing and the administration's recommendation for charter renewal were presented to the Board on February 19, 2026.

To review and negotiate the proposed changes, a District team consisting of two Board members and two district administrators met on March 4 and April 14, 2026. The District team also met with Logos leadership on March 18 and April 17, 2026. Following these discussions, the following recommendations are being presented for Board consideration and anticipated approval on June 18, 2026:

- The District agreed to increase the charter's enrollment cap from 1,310 to 1,500 students.
- The District agreed to a 10-year charter term, with the understanding that either party may request to reopen the agreement for renegotiation of terms during years 5 through 10 upon advanced written notice.
- The District did not approve Logos' request to increase the ADMw funding passthrough rate to 90% over the term of the charter. The passthrough rate will remain the same (80% for grades K–8 and 95% for grades 9–12.)

In addition to these negotiated items, the renewal agreement includes updates required by changes in law, as well as various mutually agreed-upon revisions to contract language.

All statutory and contractual timelines associated with the charter renewal process have been met.
