At enrollment time, we ask, why did you choose us?

A

Reputation, Scores

When they graduate, we ask, why did you stay?

A

Because my kid is known, seen here

In a field that is rampant with professional burnout, we have record retention.

Purpose. Relationships.

We have something rare...

Key Opportunity

30% students not reading at level

70% students not doing math at level

The best way to improve a system is to improve...

Coherence.

Alignment around what matters most

East Mountain

*-the best place to be a student
-the best place to be an educator*

Keep the heart, build the system
