**RE: Inclement Weather Days**

Welch Public Schools was out of school for inclement weather (Snow) for Wednesday, February 2<sup>nd</sup>, Thursday, February 3<sup>rd</sup>, and February 4<sup>th</sup> of 2022. We will update our Wengage Student Information system to reflect these three days as no school for school sites.

Our board of education approved a 1080-hour school calendar and enough hours are included to not have to make up days.

Sincerely,

Jeremy Ramsey, Superintendent  
Welch Public Schools
