

DUNCANVILLE ISD

Writing success stories, one student at a time.

Regular Board Meeting

May 18,2026

AGENDA SECTION: Consent Item

SUBJECT: Policy Alignment Updates

BOARD POLICY: BF (LOCAL)

STRATEGIC GOAL(S): 1,2,3 and 4

FISCAL NOTE: None

PREPARED/PRESENTED BY: Dr. Tellauance L. Graham, Chief of Staff

Background Information

Duncanville ISD operates under an approved District of Innovation (DOI) Plan (2022–2027), which allows the District to access flexibilities provided under Texas Education Code Chapter 12A.

As part of ongoing governance and compliance efforts, the District has conducted a review of select local board policies to ensure alignment with the DOI Plan and current district practices. Several policies either required revision to reflect DOI exemptions or removal due to redundancy with DOI authority.

Recommendation

Administration recommends that the Board approve the proposed revisions and/or deletion of select local board policies to ensure alignment with Duncanville ISD’s approved District of Innovation Plan for 2022–2027.

Communication Deployment

- Issue a districtwide communication to all staff summarizing the approved changes.
- Update affected administrative regulations and procedures.
- Post updated policies to the district policy webpage.

Suggested Motion

I move that the Board approve the proposed revisions and/or deletion of select local board policies as presented, in order to align Duncanville ISD’s policy manual with the District’s approved District of Innovation Plan for 2022–2027 and current district practices.

+++++

Respectfully submitted,

Dr. T. Lamar Goree
Superintendent
