FIRST SET OF 2026 POLICY UPDATES

Over the past several years, the Nebraska Legislature enacted several measures that will take effect during the 2026-2027 school year. In anticipation of these changes, we are sending the first set of policy updates to give boards and administrators time to review and plan for next year. As always, please do not hesitate to contact us with any questions or concerns.

1. Policy 1040 – Annual Report. Neb. Rev. Stat. § 79-3305 now requires an annual “computer science and technology education status report” to the School Board. The deadline to complete the first report is December 1, 2026.

2. Policy 3540 – Bidding Construction Projects. Neb. Rev. Stat. § 81-3445 requires the State Board of Engineers and Architects to adjust the threshold for architects or engineers on construction projects. The Board adjusted this amount to \$144,000, which is now reflected in Policy 3540.

3. Policy 5601 – Asthma, Anaphylaxis and Allergic Reaction Protocol. Neb. Rev. Stat. § 79-227 requires each Board to adopt an anaphylaxis policy by July 1, 2026. The anaphylaxis policy must also be included in the Student Handbook, beginning in the 2026-2027 school year. In addition, DHHS issued a new guidance document for anaphylaxis that does not need to be adopted into Board Policy but can be shared with your staff.

4. Policy 7050 – Bids and Contracts. Neb. Rev. Stat. § 73-106 requires the State Board of Education to adjust the bidding threshold once every five years. The State Board adjusted this amount to \$136,000, which is now reflected in Policy 7050.
