Re: Board Update

Since we last met:

- Nearing the end of the school year - 14 days for Seniors
- In the thick of planning for next year. Working to make some adjustments and changes that will serve the students well.
- Student scheduling is mostly done. Tying up loose ends - Just as last year - Mrs. Holm/Mrs. Thompson/Mr. Buss have done a fabulous job this year - they've made about 9 different versions depending upon different scenarios.
- Most of the testing is done. AP Testing is finishing up. Results will be sent to us in late summer.
- Congrats to our FFA program who once again will be sending 5 teams to the National Competition next year.
- Students of Excellence event was held a few weeks ago where 4 students were recognized.
- FFA Plant Sale and Banquet went well this last weekend.
- Band and Choir will have their final concerts.
- The Annual Awards Night Program will once again be virtual this year.
- Finals week is June 3rd and 4th.
- Seniors last day is May 28th. Graduation practice on June 4th in the morning.
- Graduation is June 6th! Graduation plans have been sent to parents. Now we're once again waiting on guidance from MDE/MDH/Gov. Walz on capacity limits for schools.

Overall - I'm very pleased with this year. Our staff has done an exceptional job considering the circumstances we've experienced this year. They have more than earned their summer time off.

Respectfully Submitted,

Jason Mix
