Josh Stukel, Technology Director
Kim Tuin, Food Service Director

April 27, 2026 Board Report - Lisa Pease

- 1.) District Assessment Updates: The ACT was administered on April 7, 2026. Everything went extremely well. MCA testing is in full swing! We have completed the reading and math portions. The science portion is scheduled for Tuesday, April 28 and Wednesday, April 29.
- 2.) eduCLIMBER: Our staff has had more eduCLIMBER training sessions. They learned how to navigate academic, attendance, and incident data. We have one more training session in May.
- 3.) Northern Cass: We had 15 staff members from our district that traveled to Northern Cass in North Dakota for a full day of learning about personalized learning. We participated in classroom visits, had an opportunity to ask questions with an educator panel and a learner panel, and then had time as a group to debrief prior to returning to Pipestone.
