## MISD Employees of the Month

---

### **Millsap ISD District Staff- Mrs. Bari Harrell (Transportation)**

Bari Harrell is our Employee of the Month for March. As a Special Education bus aide, Bari is exceptional in the care and attention she provides to the students on her bus. She makes a point to interact with each student, often singing with the younger ones, and has a special gift for connecting with them based on their individual needs.

Bari is always willing to lend a helping hand in the transportation office. She frequently volunteers to help clean the inside of buses, easing the workload for others without ever being asked. Her willingness to step in wherever needed truly reflects her dedication to the department.

She consistently expresses how much she loves her job, and that joy is evident in the way she shows up each morning. Bari brings a spirit of positivity, laughter, and support that uplifts both students and staff.

Bari is an incredible asset to our team, and we are grateful to have her at Millsap.
