

Elementary Touchpoints
April Board Meeting, 2021

Kindergarten registration is coming soon! This Thursday April 15 is our first of three sessions for the Class of 2034. April 15th and 20th are in the late afternoon/early evening at Humphrey. Saturday, April 17th is Winsted's registration and will be held in the morning. Families have designated windows of time to visit the school and connect with teachers, and complete the registration process.

MS/HS Band directors and a small group of students will share an instrument experience with 4th graders in preparation for band offerings at the middle school. Humphrey will host on April 13, and Winsted will host on April 23. These will be held during their specialist times in the morning.

MCA tests are scheduled for grades 3 and 4 in the morning on April 20-21 for reading and April 27-28 for math. Parents have been notified about the dates, and staff involved in the test administration process are working through training and guidance over the next week.

PTA groups have both resumed meeting at the school as of their March meetings. They are hosting a work night at each location this week in an effort to support teachers & staff. This will be done in a controlled capacity to continue our mitigation efforts.

Respectfully submitted—
Jen Olson
