In fiscal management, the Board seeks to achieve the following goals:

1. To engage in advance planning, with broad-based staff and community involvement;
2. To establish levels of funding which will provide quality education for the system's students;
3. To use the available techniques for budget development and management;
4. To provide timely and appropriate information to all staff with fiscal management responsibilities; and
5. To require the Director of Schools to establish-develop efficient procedures for accounting, reporting, purchasing and delivery, payroll, payment of vendors and contractors, internal controls, and all other areas of fiscal management. Financial policies and accompanying procedures shall be review annually to ensure ongoing compliance.²
