

**BELDING AREA SCHOOLS
BOARD OF EDUCATION
MEETING**

JULY 20, 2026

VOLUME LXIV

FOR ACTION

SUBJECT: Woodview Elementary Sound System

Background and Findings:

Our administrative team has requested the purchase of a sound system upgrade at Woodview Elementary School to ensure announcements are clearly heard throughout the building for students and staff. The purchase will be funded by bond dollars. A quote was received from Buist, and they are the recommended company. Buist has updated every system in the district and is by far the best option.

System Upgrade	\$22,862.00
New Speakers	<u>\$11,639.00</u>
Total:	\$34,501.00

Recommendation:

It is recommended that the Board approve the purchase and installation of the sound system upgrade at Woodview Elementary School.
