

## **Board Background Information**

**Subject:** Consider the purchase of the district’s Linewize subscription renewal

---

Presented for:      Action   X  

Report Only     

### **Background Information**

Our district utilizes Linewize as its web content filtering, classroom management, and student online safety solution. This platform enables the district to meet Children’s Internet Protection Act (CIPA) requirements while providing teachers with real-time monitoring and instructional controls for student devices. The proposed renewal continues these critical services, ensuring uninterrupted protection, compliance, and classroom support for the 2026–2027 school year.

<b>Vendor</b>	<b>TOTAL</b>
Secured Tech	\$27,420

### **Recommendation:**

Approve the purchase of a one-year subscription to Linewize products.
