

FIS School Board Report July 20, 2026

Building Schedule

Over the summer, we took time to review and refine our daily schedule for the 2026–2027 school year. Throughout the process, our focus was on making the best use of instructional time while improving transitions, lunch and recess, and student supervision. We're excited about the updates and believe the new schedule will help create a smooth, consistent school day that supports learning and sets students and staff up for success.

Staffing Update

We have been busy this summer filling four open positions at Foley Intermediate School, and I'm happy to share that all are almost filled. We're excited to welcome these new team members to our school community and look forward to the experience and enthusiasm they will bring to our students and staff. As they begin the school year, they will participate in our New Teacher Workshops and mentorship program to help ensure a successful transition into their new roles. If you have the opportunity to meet them, please join us in welcoming them to the Foley team!

Summer School and Extended School Year (ESY)

Summer School and Extended School Year (ESY) programming have been a great success at Foley Intermediate School. Students have had opportunities to strengthen academic skills, receive specialized services, and stay engaged in learning throughout the summer. Thank you to our teachers, support staff, and administrators who made these programs possible and helped provide a positive experience for our students.

Summer Custodial Work

Our custodial team has been hard at work preparing Foley Intermediate School for the start of another school year. From deep cleaning classrooms and common areas to completing summer projects, their work is essential in creating a clean, safe, and welcoming environment for our students and staff. We sincerely appreciate all of their hard work and
