

Executive Director Board Report

July 2026

- ESY Program: CVSEC's Extended School Year program will conclude on July 31. Staff has delivered targeted, individualized instruction, and students have remained engaged throughout the summer session.
- Staffing Recruitment for the 2026-2027 school year continues, with a focus on Educational Assistant positions. Some remaining vacancies are expected to be filled in the coming weeks. We are working to fill some unexpected teacher vacancies.
- 2026-2027 Preparations
 - New Staff Academy: August 14
 - Staff Workshop Week begins August 18
- This year's professional development will focus on tools for supporting diverse learners, including Minnesota READ Act training and updated safety protocols and procedures.
- We are excited by the momentum and look forward to launching another successful school year at CVSEC.
