Procurement for architect or engineer services is governed by law in the Texas Government Code 2254. The code, specifically 2254.004, requires all submissions to be selected based on demonstrated competence and qualifications. The Bond Program Office also recommends that the procurement method for this project be Competitive Sealed Proposals. This project will be funded using the 2025 Bond funds. The construction budget for this project is \$40,000,000.00.
