Prior to collecting pay from Worker's Compensation for a compensable work injury, employees will use available sick leave. Based on Worker's Compensation rules, some or all this used sick leave will be credited back based on the length of time off according to Worker's Compensation rules. Consult with Human Resources on use of sick time for work related injuries.

### **Long-Term Disability Leave:**

At the time an employee becomes eligible to receive long-term disability compensation as provided in this Agreement, the employee will not also receive a regular check from the District for those same days, but may

draw upon available Sick Leave to cover the employee cost of any insurance benefits as long as the employee continues on long-term disability compensation.

Employees shall pay 50 percent of the total premium for Paid Family Medical Leave set by the Minnesota Department of Employment and Economic Development (DEED).
- C. Premiums: Upon implementation, as prescribed by statute, the School District will begin deducting the employee portion of the premiums from wages and submitting the wage deductions to the State of Minnesota. The employee portion is fifty percent (50%) of the premium costs. Any subsequent changes in premium will be split with the employer paying fifty percent (50%) and the employee paying fifty percent (50%).

**Personal Leave:**

Up to two (2) days of personal leave may be granted per year. Such leave shall not be deducted from the accumulated leave. Circumstances, which qualify for use of this leave allowance, are those extraordinary situations that arise requiring attention which cannot be attended to outside of work hours and which is not covered under other policies.

It is the responsibility of the employee to enter their time off requests using the District online time off system to the appropriate supervisor, in advance, except in cases of extreme emergency. If an emergency makes it impossible to submit a request in advance, an oral request shall be submitted and then confirmed using the online system immediately upon the return of the employee. The request shall state the reason for the proposed leave. The appropriate supervisor reserves the right to refuse to grant such leave. In case of extreme emergency with approval of the Executive Director of Human Resource, the appropriate supervisor may grant additional leave with pay.

**Bereavement Leave:**

Employees eligible for basic accumulated leave also may be granted up to five (5) days bereavement leave in a contract year for death in the immediate family or close family (as defined in Section 6 – Sick Leave). The amount of leave allowed under this provision is subject to the discretion of the responsible administrator and shall not be deducted from basic accumulated leave. The amount of leave allowed under this provision is subject to the discretion of the Executive Director of Human Resources and may depend on circumstances such as distance, the individual's responsibility for the funeral arrangements, and the employee's responsibility for taking care of the estate of the deceased, and shall not be deducted from sick leave. Additional requests for Bereavement consistent with this section may be granted and days in excess of five Bereavement Leave (5) days would be deducted from available accumulated leave. Requests to be absent from work for other than immediate or close family (as defined in Section 6 – Sick Leave), may be granted based on overall attendance and ability to cover the assignment. Any of these days granted would be deducted from available accumulated leave. Documentation, such as an obituary or funeral program, may be requested by the District for any bereavement leave request.

**General Leave of Absence:**

A general leave of absence may be granted at the discretion of the District.

**Vacations:**

An employee will initially receive twenty (20) days of vacation per year. After the completion of five (5) years, the employee will receive twenty-five (25 days) of vacation and the employee will receive thirty (30) days after the completion of ten (10) years of service in the District.

Employees accrue vacation during a particular fiscal year (July 1 to June 30). Vacation accrued as of June 30 of each year will roll over to the next school year, up to a maximum of two and one half times (2.5x) the employee’s accrual rate in Article 11. The following July 1, when the new accrual is given, if the remaining days plus the new accrual amount exceeds 2.5x the accrual rate, then the excess days above 2.5x the accrual rate will be forfeited. Example, for employees who have an accrual rate of 20 days, they can never have more than 50 days in their vacation bank. If they have 35 days remaining, as of June 30th, when the new 20 days of vacation are given on July 1, the total balance would be 55 days and the five (5) excess days would be forfeited to bring the total back down to 50 days or 2.5x the accrual rate. This gives employees up to 24 months to use their vacation time.

The use of vacation days shall be subject to approval by the appropriate supervisor. An employee’s daily rate of pay shall be the daily rate in place at the time the vacation is used. Upon written resignation, the employees shall be paid for unused accrued vacation per contract up to a maximum of 30 days. Vacation amounts are based on 12-month duty year assignments. Positions with work years less than 12 months or where the employee starts after July 1 or terminates prior to June 30 shall receive vacation on a prorated basis.

**Jury Duty:**

An employee who serves on jury duty will be granted the day or days necessary, as stipulated by the court to discharge this responsibility, without any salary deduction or loss of basic leave allowance. The compensation received for jury duty service shall be kept by the employee. If an employee is released from jury duty for a full or half-day, the employee shall report back to work for the remainder of the day while on paid status.

**SECTION 5 – DEFERRED COMPENSATION**

**Deferred Compensation Matching:**

All eligible employees will be eligible to participate in the matching program starting with the 2004-2005 school year. The District will match the amount the employee is contributing up to the amounts defined below. District contributions will be on a prorated basis. Employees hired on or after July 1, 2004 will be eligible for this program and will not be eligible to participate in the District’s former severance program. Employees hired prior to July 1, 2004, who previously elected to switch to Deferred Compensation can participate in this Deferred Compensation program on a voluntary basis but will not be eligible for both Deferred Compensation and Severance (See Appendix C). Employees who previously elected to participate in this program cannot change back to the District’s severance plan. The District’s contribution will be on a prorated basis.

Eligible employees must elect to participate in the deferred compensation program. Participation will continue at the same level until the Payroll Department is notified in writing of any change. The District will pay its matching share of FICA and TRA taxes as provided in Minnesota Deferred Compensation legislation until legislation changes.

The District will match eligible employee contribution up to 3.25% of annual scheduled salary and career increments.

The District is only responsible for the required contributions amounts. In the event of a District error in making the contributions, the District will correct the amounts contributed but is not responsible for any estimated gains or losses in the fund values. It is also the responsibility of the employee to track contributions amounts at least annually and notify the District promptly if the employee feels the amount contributed is incorrect, so that it can be corrected.

**Health Care Savings Plan:**

Employees hired on or after July 1, 2004 will participate in a Health Care Savings Plan (HCSP). Employees hired prior to July 1, 2004 who previously elected this plan may continue to participate in this HCSP with the understanding that it will not be retroactive and that there is no re-election of the retiree health insurance program (See Appendix C) in the future.

Employees who have completed full years of employment by June 30th of any year after 2004 and who are eligible for health insurance coverage (Article 4.A) will be automatically enrolled and receive the following District contributions to be placed in the employee’s account.

**Health Care Saving Plan Contributions:**

- \$ 1,000 annually after the five (5) completed years in the District.
- \$ 2,500 annually after the ten (10) completed years in the District.
- \$ 5,000 annually after the fifteen (15) completed years in the District.

District contributions are based on full-time employment and paid a pro-rated based for less than 1.0 FTE based on eligibility in Article 4.A and also for less than the completion of a full-year.

The District is only responsible for the required contributions amounts. In the event of a District error in making the contributions, the District will correct the amounts contributed but is not responsible for any estimated gains or losses in the fund’s values. It is also the responsibility of the employee to track contributions amounts at least annually and notify the District promptly if the employee feels the amount contributed is incorrect, so that it can be corrected.

The maximum total District contributions to any employee’s HCSP account will be \$50,000. More information about the Minnesota State Retirement Association Health Care Savings Plan can be found at <https://www.msrs.state.mn.us/>.

An employee with satisfactory performance will typically receive one step movement each July 1. Employees with a performance rating below meets standards or on a corrective action plan will not be eligible for additional movement. Employees will generally need to be hired by February 1 to considered for step advancement the following July 1. In the event that a current employee’s salary is outside the established ranges, the action will be taken over time to move the salary to be within the range. Employees will be able to review their assignment and annual salary each year in the Employee Access Portal.

In the event the District plans to move pay dates, it will give the Professional Employee Group not less than six (6) months of notice and meet and confer on the plan for implementing the change.

**Deduction:**

In the event of an absence without leave and a pay deduction is to be made for such absence, the amount of the deduction for each day’s absence shall be equal to the employee’s daily rate of pay. Whenever it is necessary to calculate a per diem rate for purposes of this contract, the amount shall be the annual salary divided by 260. This amount may be paid monthly or per pay period at the discretion of the Business Office and will only be paid during months within the employee’s approved work year. This allowance will be prorated for less than full-time (1.0 FTE) and less than 12-month assignments. For employees who believe that they drive more than this allowance provides, that employee may notify the Executive Director of Human Resource that their elects to stop this mileage allowance and participate in the District Mileage reimburse plan and submit actual mileage driven. This election by the employee may be made one time per year before July 1 of any year. The employee’s supervisor will need to verify at least annually by June 1 of each year with Human Resources, if the employee should receive this mileage allowance or move to the mileage reimbursement plan.

Supervisors will provide feedback to probationary employees to set expectations and let employees know how they are doing. Supervisors will meet with probationary employees using the forms provided by Human Resources to review expectations, standards of performance and training options. Prior to any decision to release an employee during probation, the supervisor will discuss areas of concern with Human Resources for guidance. The supervisor will then meet with the employee to reinforce expectations and provide written feedback on any areas where the employee is not meeting performance standards and provide a reasonable time to correct the performance issues.

## SECTION 9 – DISPUTE RESOLUTION

### **Dispute Resolution Process:**

***Purpose and Procedure:*** Good morale is maintained, whenever problems arise, by the sincere efforts of all persons concerned working toward constructive solutions in an atmosphere of courtesy, cooperation and good faith. The parties acknowledge that it is desirable for an employee and the employee's immediate supervisor to informally resolve grievances. However, since all matters cannot be resolved satisfactorily in this manner, a formal process is provided as an alternative. This complaint resolution procedure has been developed as a means of securing, at the lowest possible administrative level, prompt and equitable solutions to those disputes not settled on an informal basis. This process will be as informal and confidential as practical to any level of the procedure. Further, the investigation and processing of any complaint or issues reviewed as part of this process shall be conducted in a professional manner at such times as not to cause undue interruptions of established work schedules.

### **Representation:**

The employee may bring the issue or may bring a representative of the Professional Employee Group. The District shall be represented during all steps of this procedure by its designated representative.

***Issues Covered:*** A "covered event" shall mean an allegation by an employee covered by this Agreement, resulting from a dispute or disagreement as to the interpretation or application of any term or terms of this Agreement.

If the issue is not resolved as a result of this meeting,

the employee may ask for a formal review in writing. Failure to ask for a formal review at the informal step within the time period set forth above shall be deemed a waiver of that issue. Failure to appeal for a higher review from one level to another within the periods provided shall also constitute a waiver.

***Formal:***

**Level 1:** The formal written request, signed by the employee will be presented to the supervisor within thirty (30) days after the informal review. The supervisor will meet with the employee and group representative within ten (10) days after receipt of the Level 1 written request and give a written answer to the employee within seven (7) days of the meeting. The employee has seven (7) days in which to either accept the answer or appeal it in writing to the next level.

**Level 2:** If the issue has not been resolved in Level 1, it may then be processed to Level 2 by the employee and sending the written request for review to the Superintendent. The Superintendent or their designee will meet within fifteen (15) days after receipt of the written appeal to discuss the issues with the employee in a good-faith effort to resolve the matter. Within ten (10) days of the meeting the Superintendent or their designee shall submit their written answer to the employee. The decision by the Superintendent will be the final review.

**SECTION 10 – MISCELLANEOUS/DURATION**

**Duration:**

This Agreement shall remain in full force and effect for a period starting July 1, 2026 through June 30, 2028, and thereafter as provided by P.E.L.R.A.

**Hold Harmless Clause:**

The District agrees, subject to the provisions of this section, as a condition of this employment contract, that it shall defend, hold harmless, and indemnify the employee from any and all demands, claims, suits, actions and legal proceedings brought against the employee in their individual capacity, or in their official capacity as agent and employee of the District, provided the incident arose while the employee was acting within the scope of their employment and acting in good faith.

**Complete Agreement:**

This Agreement constitutes the full and complete Agreement between the District and Professional Employee Group. The provisions herein relating to terms and conditions of employment supersede any and all prior Agreements, resolutions, practices, District policies, rules or regulations concerning terms and conditions of employment inconsistent with these provisions.

**Severability:**

The provisions of this Agreement shall be severable, and if any provision thereof or the application of any such provision under any circumstances is held invalid, it shall not affect any other provision of this Agreement or the application of any provision thereof.

**APPENDIX C: EMPLOYEES HIRED PRIOR TO 07/01/2004:****SEVERANCE PAY (formerly Section 9 for employees hired prior to 7/1/2004):**

Severance Pay: This section only applies to employees hired before July 1, 2004. Subject to M.S. 465.72, full-time employees who have completed at least twelve (12) years of continuous service with the District and who are at least fifty-five (55) years of age; or, regardless of age have completed at least twenty-five (25) years of credit with the Minnesota State Public Employees Retirement Association or the Minnesota State Teacher's Retirement Association, at least twelve (12) years of which involve service in the St. Louis Park District, shall be eligible for severance pay pursuant to these provisions upon submission of a written resignation accepted by the School Board.

- A. An eligible employee shall receive as severance pay an amount representing one hundred (100) days' pay. Severance pay shall not be granted to any employee who is discharged for cause by the District.
- B. In addition to the severance pay provided above, an eligible employee shall receive, as severance pay upon retirement, the amount obtained by multiplying the employee's daily rate of pay by the employee's number of unused leave days, but in any event not to exceed one (1) year's salary.
- C. In applying these provisions, an employee's daily rate of pay shall be the daily rate at the time of retirement, and shall not include any additional compensation.
- D. The District shall provide payment equal to the value of the employee's severance pay directly into the employee's 403b custodial account or other tax-sheltered provision of the Internal Revenue Code. Employees will no longer receive any direct payment from the District for severance pay.
- E. The District's annual contribution into the employee's traditional 403b custodial account or other tax-sheltered provision pursuant to Minn. Stat. § 356.24 and provisions of the Internal Revenue Code shall not exceed the annual IRS contribution limit for such contributions. If any part of the severance pay due to the employee exceeds the IRS contribution limit for a given year, any such amount shall be paid to an account on behalf of the employee for a health care savings plan as agreed upon by the District and the exclusive Representative for such plans pursuant to the provisions of Minn. Stat. § 356.24, consistent with IRS limitations and consistent with the payment schedule.
- F. Employees will receive payment in equal annual installments over a period of two (2) years from the effective date of retirement. Employees must give notice to the District by March 1 of the year in which they plan to retire. The two payments will be processed after July 1 in the fiscal years following notice and retirement. No severance payment will be made to a taxable Roth Option.
- G. Employees hired on or after July 1, 2004 will not be eligible to participate in the District's severance program.

**Tax-sheltered Annuity (formerly Section 1 G):**

The District shall participate in a matching tax-sheltered annuity program for all full-time employees who are Severance eligible. The amount contributed by the District in a school year shall not exceed 2 1/2 % of the employee's salary. If hired on or after July 1, 2006, the employee will not be eligible to participate in the District tax-sheltered annuity program.
