Subject:

Consider Approval of Renewal of Contract 2023.803 Electrical and Generator Service and Material

Background:

In March 2025, the Board approved the renewal of Contract 2023.803 Electrical and Generator Service and Material in the amount of \$520,000. To date, \$381,962 of the approved contract value has been encumbered. In addition to typical General Fund expenditures under this contract, Capital Projects funds will be allocated for the purchase of new generators and replacement lighting. The Directors of Purchasing and Maintenance recommend renewal of this contract for an estimated annual contract value of \$520,000 with C&D Electric, Crescent Electric, Dealers Electrical Supply, National Scoreboard & Display Services, and Power Field Services. This is the final available renewal option. We estimate that \$370,000 of this contract will be funded with General Funds, with the remaining \$150,000 being funded with Capital Projects Funds.
