Live's instruction reinforces the literacy foundations students need while strategically using authentic text to engage and accelerate them to grade-level proficiency. We have used Language Live for the past two years and have seen success with our students.
- This product serves as the reading intervention curriculum for the middle school.. The intervention programs are intended to be fluid in enrollment with the ultimate goal of giving students the appropriate support in an effort to give these students the skills needed to exit the program. Therefore we are seeking twenty student subscriptions in order to account for this fluctuation throughout the year.
- The District paid \$2669.60 in 2025 for a 12-month subscription, and this renewal will be \$2,538 for another 24 months.
