MEMORANDUM – 2026 SCHOOL DISTRICT ANNUAL POLICY UPDATES

The Legislature adjourned on April 17th this year. This Memo covers the required policy updates that need to be made this summer.

A. REQUIRED POLICY UPDATES

- 1. Policy 1110 (“Bulletin Boards”):** LB 429 added new requirements for “equal access” to teachers by professional organizations and teacher associations. Policy 1110 has been updated to ensure that qualifying organizations and associations are granted such access under the new law.
- 2. Policy 3560 (“Records Management and Disposition”):** LB 596 updated references in the record retention laws to better reflect current technology and electronic storage capabilities. Policy 3560 has been updated to reflect these changes.
- 3. Policy 5004 (“Full-time and Part-time Enrollment”):** LB 937 refined the part-time enrollment statutes to provide greater flexibility for students participating in national and state activities, such as FFA. Policy 5004 has been updated accordingly.
- 4. Policy 5005 (“Student Residence, Admission and Contracting for Educational Services”):** LB 937 imposes a new requirement that school districts may not disenroll a student who is the subject of a DHHS investigation. Under this new law, if DHHS notifies a school district that a student may be the victim of abuse or neglect, the district cannot facilitate a student’s withdrawal or transfer to a different school. If a parent or guardian attempts to withdraw or transfer the student during this period, the district must notify DHHS. Policy 5005 incorporates these changes.
- 5. Policy 5006 (“Option Enrollment”):** LB 653 amended the option enrollment statutes by requiring the “automatic” acceptance of siblings of option students currently enrolled in a district. Policy 5006 has been updated to reflect this new requirement. Over the next few months, schools should evaluate their option enrollment program and practices to account for these new obligations, as well as review and update option enrollment forms.

6. **Appendix to Policy 5006 (“Option Resolution”):** Similar to the changes made in Policy 5006, the Option Resolution has been updated to reflect the change in LB 653 that removes capacity limitations for option siblings.
7. **Policy 5008 (“Attendance”):** LB 937 amended the student attendance laws to provide that a documented absence from a credentialed health professional shall excuse a student’s absence for that day and not count toward a student’s truancy accumulation. The update to Policy 5008 reflects this change.
8. **Policy 5101 (“Student Discipline”):** LB 653 amended the Student Discipline Act and requires two changes to board policy. First, LB 653 created an exception to the prohibition on suspending young students. Previously, PK-2 graders could only be suspended for bringing a firearm or deadly weapon to school. Now, a PK-2 grader can be suspended for violent behavior. In addition, LB 653 amends the notice requirements for student discipline letters. School administrators should ensure that their student discipline forms and checklists are updated to reflect these new notice requirements.
9. **Policy 5205 (“Graduation”):** Last year, LB 296 amended Nebraska’s graduation statute to provide an exception for students who, at some point during their high school career, were under the supervision of a juvenile court. Policy 5205 incorporates this new statutory exception into the graduation criteria.
10. **Policy 8130 (“Annual Organizational Meeting”):** LB 596 allows each board to designate the method by which they will give advanced public notice of board meetings. The method must be noted in the meeting minutes. At the annual organizational meeting, each board should approve (and note in the minutes) the designated method of giving notice, such as on the district’s website or posting in conspicuous places within the District.
11. **Policy 8342 (“Designated Method of Giving Notice of Meetings”):** LB 596 amends the Open Meetings Act’s notice requirements. Previously, notices of board meetings were required to be published in the newspaper, with several exceptions. Now, notices of regular meetings only need to be published four times per year. Schools that wish to continue publishing monthly notices in the newspaper are free to continue doing so. But for those schools that do not want to be tied to a newspaper each month, notices of the regular meeting schedule need only be published four times a year.

B. RECOMMENDED UPDATES

1. Policy 3130 (“Purchasing Policies”): The Purchasing Policy is important to ensure that Boards have oversight of large purchases in the District, while affording the administration the flexibility to make smaller purchases when needed. However, Policy 3130 does not delineate between purchasing products and expending district funds for ongoing service or renewals previously approved (such as utility bills, insurance renewals, and so forth). To better address the distinctions between these scenarios, each Board may consider updating Policy 3130.

C. OPTIONAL POLICY AND/OR HANDBOOK UPDATES

1. Mobile Tracking: LB 935 added a new crime for surreptitiously tracking someone via a mobile tracking device. The new law includes an exception for a parent tracking their student. Since Policy 1102 (“Recording of Others”) focuses on listening devices (as opposed to tracking devices), no update is necessary to Policy 1102 in response to LB 935. That said, some districts may want to consider how to handle mobile tracking devices at school.

2. Smart Glasses: Some districts have struggled with students wearing smart glasses at school. Policy 6113 (based on LB 140 from last year) bans all “electronic communication devices,” which include smart glasses. However, if your district wants to explicitly include a reference to smart glasses or other technology, you are free to do so within Policy 6113 and/or Policy 5101 (Student Discipline).

3. Swatting: LB 935 also created a new crime of “swatting.” The Student Discipline Act (and Policy 5101) already covers criminal conduct as the basis for student discipline, so Policy 5101 does not need to be updated to add “swatting” as an expellable offense. A district could nonetheless add “swatting” if they wanted to make clear that a swatting incident may be grounds for serious discipline.

D. OTHER CONSIDERATIONS

1. New Centralized Student Record System: Last year, LB 296 addressed changes to the foster system. One of these changes includes new responsibilities for NDE. Beginning July 1, 2026, school districts will be required to share a student’s education records with NDE if the student is under a juvenile court’s jurisdiction, as part of a new centralized records system.

2. New NPERS Retirement Rules: LB 824 changes the public retirement statutes by requiring a 120 day “sit-out” period for employees who retire. As such, any school employee who retires may not work or volunteer for the 120-day period after their retirement date. An employee’s retirement date (for purposes of NPERS) may be deemed to be a date other than the date of the employee’s last workday and is typically “fixed” by the employee’s contract. With this statutory change occurring on May 1, 2026, it may be worth revisiting your 2026-2027 staff contracts to ensure that end dates align with an employee’s final day of work.

3. **Pink Postcard Process:** LB 384 requires at least one voting member of the board to attend this year's "pink postcard" hearing for those participating districts. After this fall, the "pink postcard" process will end, and all districts will be required to participate in the new LB 803 hearing in July 2027. This change does not require any policy updates.
4. **Open Meetings Act Posters:** LB 596 removed the requirement that a copy of the Open Meetings Act be "posted" in the meeting room. Boards now have the option to continue posting the Open Meetings Act or simply making the Open Meetings Act available to someone who wants to review it. Since no policy requires the posting of the Open Meetings Act, this does not require any policy change.
5. **Veteran's Preference Reminder:** As a reminder, all public employers in Nebraska are required to note that any open employment positions are "subject to a veteran's preference."¹ This summer would be a good time to ensure that your application system complies with this requirement.
6. **ADA Website Accessibility Deadline Delayed:** Recently, the U.S. Department of Justice announced that the compliance deadlines for the new website accessibility requirements will be delayed for one year. As a result, for entities with a total population of 50,000 or more, their website must be in compliance by April 26, 2027. For those entities with a total population of less than 50,000, the new deadline is April 26, 2028. No policy needs to be updated to reflect this new deadline.
7. **Food Color Additives:** LB 940 prohibits certain food color additives as part of a school meal, effective August 1, 2027. Since food additives are not referenced in any policy, there will not be a policy update in response to LB 940.
8. **Workplace Safety Committee Changes:** LB 397 amends the workplace safety statutes. Previously, school districts were required to establish a safety committee through the collective bargaining process. LB 397 revises the statute to permit (not require) the safety committee through the collective bargaining process. School districts could remove the safety committee provision from the Negotiated Agreement next year, if they do not want the safety committee within the Negotiated Agreement.
9. **Hunger Free Schools Act:** LB 966 created the Hunger Free Schools Act pilot program. There is no policy update or change required for schools to apply to participate in the program.
10. **Updates to Nebraska's Controlled Substances Act:** LB's 877 and 795 updated the list and schedules for controlled substances in Nebraska. However, school policies do not require an exhaustive list of banned or unlawful substances at school, so the updates to these laws do not require a policy change.

¹ Neb. Rev. Stat. § 48-227.

11. Human Relations Training Requirements: LB 1022 repealed the human relation requirement for certain teaching certificates, including substitute teachers. This new law will not result in any change to policy.
