Summary: **Renewal of existing MOU with Seguin ISD in the matter of district wide evacuations.**

Background Information: With a student body exceeding 3000 students, NISD does not have the resources (vehicles/drivers) to evacuate all students and personnel from all district areas located along the Hwy 123/Link Road area in the event of an

emergency. Establishing an MOU with Seguin ISD will provide resources to accomplish this feat if we were ever required to do so.

The existing MOU reads:

2.1 The term of this Contract is for one (1) **year** beginning **on September 1, 2025, unless** sooner terminated as herein provided. This Contract may be renewed by mutual consent for two (2) additional one (1) year terms. The process of renewal may be initiated by either party by forwarding written notice to the other party *of* such intent no less than thirty **(30)** days prior to the expiration of this Contract. Renewal of the Contract shall require formal action during an open meeting of the governing body of each respective party hereto.

An email was sent to the Coordinator of Transportation at Seguin ISD, Phia Rigney, on June 23, 2026 to which she agreed with renewing the MOU. The renewal date would begin on September 1, 2026.
