WAWM Music Program Receives National Recognition

We are proud to announce that our District's music program has been honored with the Best Communities for Music Education designation from The National Association of Music Merchants (NAMM) Foundation for its outstanding commitment to music education. This year over 1000 school districts were recognized across the country with the West Allis-West Milwaukee School District being one of 32 in the State of Wisconsin to receive this honor. This is the 12th time that our music program has received national recognition from the NAMM Foundation. [Click here to read more about this recognition and the WAWM music program.](#)
